DECLARATION OF PROTECTIVE COVENANTS,  
CONDITIONS AND RESTRICTIONS

FOR

HAWK CREEK NORTH SUBDIVISION, PHASE I  
PLAT BOOK 158, PAGE 48

**THIS DECLARATION** is made on this the \_\_\_\_\_ day of \_\_\_\_\_, 2005 by **Four Bees, Inc.**, a South Carolina limited liability company, (herein referred to sometimes as "Poinsett" and sometimes as "Declarant").

WITNESSETH

**WHEREAS**, Declarant is the owner of the property described on **Exhibit "A"**, attached hereto and incorporated herein by reference; and

**WHEREAS**, Four Bees desires to subject its property described on **Exhibits "A"**, and possibly other property, to the covenants, conditions, easements and provisions of this Declaration in order to create a residential community; and

**WHEREAS**, Declarant intends to develop the real property in phases, but Declarant reserves the right to remove any portion of the undeveloped property described on **Exhibit "A"** from the provisions of this Declaration by filing a written instrument in the office of the Register of Deeds for **Spartanburg County, SC**, removing such property; and

**WHEREAS**, Declarant desires to provide for the preservation of the value of the property and to assure a flexible and appropriate development and improvement of the property for the overall benefit of the entire development; and

**WHEREAS**, Declarant intends by this Declaration to impose upon the property certain covenants, conditions, easements and restrictions for the administration, maintenance, preservation, use and enjoyment of the property under a general plan of development, and desires to provide for the management of the property and any amenities by means of a homeowners association which shall hold title to the common areas for the use and benefit of the owners.

**DEDICATION OF PROPERTY:**

NOW THEREFORE, **Four Bees, Inc.** hereby declares that the real property described on **Exhibit "A"** of this Declaration (the property being described on **Exhibit "A"** being hereinafter sometimes referred to as the "Property"), including any improvements which may be (but are not required to be) constructed on the property, is subjected to the provisions of this Declaration. Such real property shall be held, sold, transferred, conveyed, used, occupied, and mortgaged or otherwise encumbered subject to the covenants, conditions, restrictions, easements, assessments, and liens contained in this Declaration. The provisions of this Declaration shall run with the title to the property subjected to this Declaration. This Declaration shall be binding on all persons having any right, title, or interest in all or any portion of the property now or hereafter made subject hereto, their respective heirs, legal representatives, successors, successors-in-title, and assigns and shall inure to the benefit of each and every owner of all or any portion thereof.

**ARTICLE I**  
**DEFINITIONS**

The following capitalized words, when used in this Declaration (unless the context shall prohibit), shall have the following meanings:

Such standard may be more specifically determined by the Association's Board of Directors. Such determination must be consistent with the Community-Wide Standard originally established by the Declarant.

## **ARTICLE II**

### **PRE-EXISTING COVENANTS IN COMMUNITY**

**2.1 Wetlands.** Pursuant to a Declaration of Restrictive Covenants to be recorded in the office of the Register of Deeds for **Spartanburg County, South Carolina**

(the "Wetlands Covenant"), specific property within the Community (the selection, boundaries and configuration of which shall be in the sole discretion of the Declarant) may be made subject to restrictions on certain activities. Any Wetlands Covenant is intended to preserve its subject property in its natural condition forever. The Wetlands Covenant prohibits certain activities on its subject property and allows specific parties, including the U.S. Army Corps of Engineers, Charleston District; the U.S. Department of Justice; and/or the South Carolina Department of Health and Environmental Control, the right to enforce the terms of the Wetlands Covenant.

### ARTICLE III PROPERTY SUBJECT TO THIS DECLARATION

**3.1. Property Subjected to this Declaration.** The real property which is subject to the covenants and restrictions contained in this Declaration is the real property described in **Exhibit "A"**.

**3.2 Other Property.** Only the real property described in Section 3.1 is made subject to this Declaration. However, Declarant may subject additional property to this Declaration by recording one or more amendments hereto or supplementary declarations. Declarant specifically reserves the right, but shall not be obligated, to annex additional property into the subdivision and Declarant specifically reserves the right, but shall not be obligated to impose these covenants and restrictions upon said additional property.

**3.3 Removal of Property Subjected to this Declaration.** There is no guarantee being given by Declarant that all of the property made subject to this Declaration will be developed and/or will remain subject to this Declaration. Declarant expressly reserves the right to remove, and shall have the right to release, all or any portion of the undeveloped property described on **Exhibit "A"** from the provisions of this Declaration, at any time, in its sole discretion by filing a written instrument in the office the Register of Deeds for **Spartanburg** County, SC, removing such property. The determination of whether such property shall be considered "undeveloped" shall be in the sole discretion of the Declarant.

### ARTICLE IV ASSOCIATION MEMBERSHIP AND VOTING RIGHTS

**4.1 Nonprofit Corporation.** Hawk Creek North Homeowners Association, Inc. is a nonprofit corporation organized under the laws of the State of South Carolina. The Association shall initially be managed by a Board of three Directors who need not be Members of the Association. Until the first annual meeting is held, the initial Board of

Directors shall be John W. Beeson, Sr., John W. Beeson, Jr., and Ronald D. Taylor. The Association may increase the size of the Board up to seven Members by a majority vote of the Members. The initial mailing address of the Board shall be Post Office Box 27109, Greenville, South Carolina, 29616. Said Board shall be responsible for preparing the initial By-Laws of the Association and distributing the same to the Members thereof.

**4.2 Membership.** Every Owner shall be deemed to have a membership in the Association. If a Lot is owned by more than one Person, there shall be only one (1) membership per Lot, and the votes and rights of use and enjoyment shall be as provided in this Declaration and in the By-Laws. Membership shall be appurtenant to and may not be separated from ownership of any Lot. The rights and privileges of membership, including the right to vote and to hold office, may be exercised by a member or the member's spouse, but in no event shall more than one (1) vote be cast nor more than one (1) office held for each Lot owned.

**4.3 Voting.** The Association shall have two (2) classes of voting membership.

(a) **Class A:** Class A members shall be all Owners with the exception of the Declarant and shall be entitled to one (1) vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members and shall be entitled to rights of membership and of the use and enjoyment appurtenant to such ownership. The vote for each such Lot shall be exercised as they among themselves determine, and the Secretary of the Association shall be notified of such designation prior to any meeting, but in no event shall more than one vote be cast with respect to any such Lot. In the absence of such notification, the vote allocated to such particular Lot shall be suspended in the event more than one person or entity seeks to exercise the right to vote. Any Owner of a Lot which is leased may assign his voting right to the tenant, provided that a copy of the assignment is furnished to the Secretary of the Association prior to any meeting at which the tenant exercises the voting right. In the event the Owner is an entity, that entity shall, by written resolution, designate the individual who shall be authorized to exercise the voting rights of that Lot and shall deliver an original or certified copy of such written resolution to the Secretary of the Association, who shall file it with the Association's books and records.

(b) **Class B:** The Class B member(s) shall be the Declarant and any successor of Declarant who takes title to all or a portion of the Property for the purpose of development and sale and who is designated as a successor declarant in a recorded instrument in accordance with this Declaration. Declarant shall be entitled to three (3) votes for each Lot owned and three (3) votes for each one-half (0.50) of an acre of undeveloped land owned and subjected to this Declaration. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

- (1) December 31, 2012; or
- (2) when the total votes outstanding in the Class A membership

exceed the total votes outstanding in the Class B membership; or

(3) at such time as Declarant may desire to voluntarily relinquish its Class B membership. In the event Declarant should desire to voluntarily relinquish its Class B membership, Declarant shall call a meeting of the Owners to inform the Members of the termination of the Class B membership and to transfer control of the Association to the Owners, which transfer shall be evidenced by a written notice recorded in the Office of the **Spartanburg** County Register of Deeds.

Notwithstanding the provisions above, the Class B membership shall not terminate if, within one hundred twenty (120) days after the condition set forth in Section 4.2(b)(2) is fulfilled, all or a portion of any additional property is incorporated into the Community and as a result, the number of votes of the Class B member(s), determined on the basis of three (3) votes per Lot owned and three (3) votes for each one-half (1/2) of an acre of undeveloped land owned and subjected to this Declaration, is greater than the number of votes held by Class A members. From and after the termination of the Class B membership, Declarant and any designated successor Declarant shall be entitled to one (1) vote for each Lot owned.

**4.4 Association as Successor to Declarant.** Upon the termination of the Class B membership as described above, the Association shall succeed to all of the rights, duties and responsibilities of the Declarant under this Declaration. The Association shall not, however, succeed to any rights of Declarant regarding any portion of any additional property which has not then been annexed to, and incorporated within, the Community, nor succeed to any rights of the Declarant regarding any portion of undeveloped Property subjected to this Declaration that may be removed by the Declarant. The Association may delegate any of such rights, duties and responsibilities to the Architectural Review Committee or to any other committee or entity which it may choose to form.

## **ARTICLE V ASSESSMENTS**

**5.1 Purpose of Assessment.** The assessments provided for in this Declaration shall be used for the general purposes of promoting the recreation, health, safety, welfare, common benefit, and enjoyment of the Owners and Occupants of Lots, as may be authorized from time to time by the Board or as set forth herein. The assessments levied by the Association shall also be used for the administration, operation, improvement, maintenance, use and enjoyment of the Common Area, including the entrance landscaping, whether or not located on Common area, and including, but not limited to, the cost of repairs, replacements, additions, insurance, labor, equipment, materials, management and supervision, other personnel or contract services deemed appropriate, establishing a maintenance and replacement reserve, repaying loans incurred by the Association, including interest, the payment of taxes assessed against such Common

Area, and the employment of attorneys, accountants and other professionals to represent the Association when necessary, and to provide such other services which the Association determines to be necessary or desirable. Additionally, in the event that any Owner fails to properly maintain the exterior of such Owner's residence, including the yard and any fence or fences on such Owner's Lot, the Board of Directors of the Association may, by majority vote, levy a special assessment against the Owner of such Lot, which assessment shall be in an amount equivalent to that required to properly maintain the exterior of such residence, fence, fences or yard or may expend portions of the assessments for maintenance of the exterior of such Owner's residence, yard or fence, in which event, the Owner shall be assessed for such expense of maintenance as provided for herein.

**5.2 Creation of the Lien and Personal Obligation for Assessments.** For each Lot owned within the Community, each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, covenants and agrees, and is deemed to covenant and agree, to timely pay the Association: (1) annual assessments or charges, including any entrance landscaping, whether or not located on Common Area, and privacy costs, which assessments or charges may be assessed and/or collected on such basis as the Association deems appropriate, and (2) special assessments for capital improvements and other purposes, such assessments to be established and collected as hereinafter provided; and (3) default assessments which may be assessed against an Owner's Lot for failure to perform an obligation under this Declaration, or because the Association has incurred an expense on behalf of an Owner under this Declaration or the Association documents. Neither the Declarant nor Four Bees, Inc. will be responsible for the payment of assessments on Lots it owns until such time as the Association converts to Class A membership; however, the Declarant and Four Bees, Inc. shall fund such amount necessary to pay approved expenses in excess of the amount collected by the Association until the date Class B membership ceases.

**5.3 Late Charges.** All assessments shall accrue late charges, interest (not to exceed the lesser of the maximum rate permitted by law or eighteen percent (18%) per annum on the principal amount due), and costs, including, without limitation, reasonable attorney's fees actually incurred. The assessments and charges shall be a continuing lien upon the Lot against which each assessment is made, and shall also be the personal obligation of the person who was the Owner of such Lot at the time the assessment fell due and upon such Owner's successor in title if unpaid on the date of the conveyance of such Lot.

**5.4 Personal Liability.** Each Owner shall be personally liable for the portion of each assessment coming due while the owner of a Lot, and each grantee of an Owner, shall be jointly and severally liable for the assessments which are due at the time of conveyance; however, the liability of a grantee for the unpaid assessments of its grantor or immediately preceding Owner shall not apply to any first Mortgagee taking title through foreclosure proceedings, in which event, the prior owner shall continue to remain liable.

**5.5 Certificate of Payment.** The Association shall, within five (5) business days

after receiving a written request, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate shall be binding upon the Association as of the date of issuance. The Board shall have the right to impose a reasonable charge for providing this certificate.

**5.6 Annual Assessments.** Annual assessments shall be levied equally on all Lots and shall be paid in such manner and on such dates as may be fixed by the Board. The Board may allow annual assessments to be paid in monthly, quarterly, semi-annual or annual periodic payments as determined by the Association's Board of Directors, and the Board shall have the right to accelerate any unpaid installments in the event an Owner is delinquent. Unless otherwise provided by the Board, the annual assessment shall be paid in annual installments. Neither the Declarant nor Four Bees, Inc. will be responsible for the payment of assessments on Lots it owns until such time as the Association converts to Class A membership; however, the Declarant and Four Bees, Inc. shall fund such amount necessary to pay approved expenses in excess of the amount collected by the Association until the date Class B membership ceases.

**5.7 Computation of Annual Assessments.** The Board shall prepare a budget covering the estimated costs of operating the Association during the coming year, which may include a capital contribution or reserve. The Board shall cause the budget and the assessments to be mailed or delivered to each member at least thirty (30) days prior to the end of the current fiscal year. The budget and the assessment shall become effective unless disapproved at a meeting by a majority of the Total Association Vote. In the event the membership disapproves the proposed budget, or the Board fails to establish a budget for the succeeding year, the budget in effect for the then current year shall continue for the succeeding year until changed by the Board. In the event the Board's budget is disallowed, the Board shall have the right to make a new budget retroactive to the start of the fiscal year.

**5.8 Special Assessments.** In addition to the other assessments authorized by this Declaration, the Association may levy special assessments from time to time. Special assessments must be approved at a meeting by two-thirds (2/3) of the Total Association Vote. Special assessments shall be paid as determined by the Board, and the Board may permit special assessments to be paid in installments extending beyond the fiscal year in which the special assessment is imposed.

**5.9 Lien for Assessment.** All sums assessed against any Lot, Owner, or member pursuant to this Declaration shall be secured by a lien on such Lot in favor of the Association.

**5.10 Priority.** The lien of the Association shall be superior to all other liens and encumbrances on such Lot, except for (a) liens for ad valorem taxes; (b) liens for all sums unpaid on a first priority Mortgage or deed to secure debt, or (c) a lien arising by virtue of any Mortgage in favor of Declarant which is duly recorded in the land records of the county where the Community is located. All other Persons acquiring liens or encumbrances on any Lot after this Declaration shall have been recorded shall be deemed to acknowledge

that their liens shall be inferior to the lien of the Association for assessments in existence at that time or which arise in the future.

**5.11 Effect of Nonpayment of Assessment.** Any assessments (or installments) which are not paid when due shall be delinquent. Any assessment (or installment) which is delinquent for a period of more than ten (10) days shall incur a late charge in an amount set by the Board. If the assessment is not paid within thirty (30) days, a lien shall attach to the Owner's Lot. The lien shall cover all assessments then due or which come due until the lien is cancelled of record, and any other amounts provided in this Declaration or permitted by law. In the event that the assessment remains unpaid after thirty (30) days, the Association may, in its sole discretion, take any or all of the following action:

(a) Assess an interest charge from the date of delinquency at the rate of eight percent (8%) per annum, or such other rate as shall have been established by the Board of Directors;

(b) Assess a late charge at the rate established by the Board per delinquency or such other charge as shall have been established by the Board of Directors;

(c) Suspend the voting rights of the Owner during any period of delinquency;

(d) Accelerate all remaining assessments for the fiscal year in question so that unpaid assessments for the remainder of the fiscal year shall be due and payable at once;

(e) Bring an action at law or in equity against the Owner personally obligated to pay the delinquent assessment by instituting suit to collect such amounts and foreclose its lien against the Lot, and interest, costs of collection and reasonable attorneys fees of such action of foreclosure shall be added to the amount of such assessment. The Association shall have the right to foreclose its lien through any method allowed by law. The Association shall have the power to bid on the Lot at any foreclosure sale or to acquire, hold, lease, mortgage, and convey the same.

No Owner may waive or otherwise escape liability of the assessments provided for herein by non-use of the Common Area or abandonment of such Owner's Lot.

**5.12 No Set Off or Deduction.** No Owner may waive or otherwise exempt himself from liability for the assessments provided for in this Declaration. No setoff, diminution, or abatement of any assessment shall be claimed or allowed by reason of any alleged failure of the Association to take some action, for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken by the Association to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority. The obligation to pay assessments is a separate and independent covenant on the part of each

Owner and is not subject to setoff.

**5.13 Application of Payments.** All payments shall be applied first to costs, then to late charges, then to interest, and then to delinquent assessments.

**5.14 Date of Commencement of Assessments.** Assessments shall start on the date of closing for the sale of the Lot to a Person other than Declarant or Four Bees, Inc. The first annual assessment shall be adjusted according to the number of days then remaining in that fiscal year.

**5.15 Special Assessments.** The Board shall have the power to determine special assessments pursuant to this Section as it shall deem appropriate, in its sole discretion. Failure of the Board to exercise its authority under this Section shall not be grounds for any action against the Association or the Board of Directors and shall not constitute a waiver of the Board's right to exercise its authority under this Section in the future. The Board may also determine special assessments on Owners for the following Association expenses (except for expenses incurred for maintenance and repair of items which are the maintenance responsibility of the Association):

(a) expenses of the Association which benefit less than all of the Lots may be specifically assessed equitably among all of the Lots which are benefitted according to the benefit received; and

(b) expenses of the Association which benefit all Lots, but which do not provide an equal benefit to all Lots, may be assessed equitably among all Lots according to the benefit received.

(c) **For Capital Improvements.** In addition to the annual assessments authorized above, the Association may levy, in any calendar year, a special assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of capital improvements upon any Common Area, including streets, entrance walls, signs, and landscaping, including fixtures and personal property related thereto, or to make up any deficit or shortage in the current year's budget; provided that any such assessment shall have the consent of two-thirds (2/3) of the votes of Class A members and the approval of the Class B member(s) who are voting in person or by proxy at a meeting duly called for this purpose. All special assessments shall be fixed at a uniform rate for all Lots and may be collected on a monthly, quarterly, semi-annual or annual basis as determined by the Association's Board of Directors. Notice of the amount and due dates for such special assessments must be sent to each Owner at least thirty (30) days prior to such due date.

(d) **For Exterior Maintenance, Yard and Fence.** In addition to the annual assessments authorized above, in the event that any Owner fails to properly maintain the exterior of such Owner's residence, including the yard and any fence or fences on such Owner's Lot, the Board of Directors of the Association may, by majority vote, levy a special assessment against the Owner of such Lot, which assessment shall be

in an amount equivalent to that required to properly maintain the exterior of such residence, fence, fences or yard or may expend portions of the assessments for maintenance of the exterior of such Owner's residence, yard or fence, in which event, the Owner shall be assessed for such expense of maintenance as provided for herein.

**5.16 Budget Deficits During Declarant Control.** For so long as the Declarant has the authority to appoint the directors and officers of the Association, Declarant may (but shall not be required to):

(a) advance funds to the Association sufficient to satisfy the deficit, if any, between the actual operating expenses of the Association and the sum of the annual, special, and specific assessments collected by the Association in any fiscal year. Such advances shall, upon request of Declarant, be repaid from assessments or may be evidenced by promissory notes from the Association in favor of the Declarant. The failure of Declarant to obtain a promissory note shall not invalidate the debt; or

(b) cause the Association to borrow such amount, or a general borrowing from a third party at the then prevailing rates for such a loan in the local area of the Community. Declarant, in its sole discretion, may guarantee repayment of such loan, if required by the lending institution, but no Mortgage secured by the Common Area or any of the improvements maintained by the Association shall be given in connection with such loan; or

(c) acquire property for, or provide services to, the Association or the Common Area. Declarant shall designate the value of the property or the services provided and such amounts, at the request of the Declarant, be evidenced by a promissory note. Failure to obtain a promissory note shall not invalidate the obligation referred to in this Section.

**ARTICLE VI**  
**MAINTENANCE AND CONVEYANCE**  
**OF COMMON AREA TO ASSOCIATION**

**6.1 Association's Responsibility.**

(a) The Association shall maintain in good repair the Common Area and any Exclusive Common Areas, including (without limitation) maintenance, repair, and replacement of all landscaping and improvements situated on the Common Area and Exclusive Common Areas.

(b) The Association shall also maintain all Community entry features, Common Areas, Exclusive Common Areas, and operate and maintain street lights (if not maintained and operated by a governmental entity) for the Community including the

expenses for water and electricity, if any, provided to all such entry features, Common Areas, Exclusive Common Areas, and street lights; all storm water detention facilities and easements serving the Community (to the extent such facilities and easements are not maintained by a governmental entity); and all property outside of Lots located within the Community which was originally maintained by Declarant.

(c) The Association shall have the right, but not the obligation, to maintain other property not owned by the Association, whether within or without the Community, where the Board has determined that such maintenance would benefit the Owners.

(d) In the event that the Association determines that the need for maintenance, repair, or replacement of property described above is caused through the willful or negligent act of an Owner, or the family, guests, lessees, or invitees of any Owner, and is not covered or paid for by insurance, in whole or in part, then the Association may perform such maintenance, repair, or replacement at such Owner's sole cost and expense, and all costs thereof shall be an special assessment against such Owner subject to the Association's lien and collection rights provided for in this Declaration.

(e) All maintenance shall be performed consistent with the Community-Wide Standard.

**6.2 Owner's Responsibility.** All maintenance of the Lots and all structures, parking areas, landscaping, and other improvements thereon shall be the sole responsibility of the Owner thereof, who shall maintain such Lot in a manner consistent with the Community-Wide Standard and this Declaration. In the event that the Board determines that any Owner has failed or refused to discharge properly any of such Owner's obligations with regard to the maintenance, repair, or replacement of items for which such Owner is responsible, the Association may perform such maintenance, repair, or replacement for the Owner at the expense of the Owner. Except in an emergency situation, the Association shall give the Owner written notice of the Association's intent to provide such necessary maintenance, repair, or replacement. The notice shall set forth with reasonable particularity the maintenance, repairs, or replacement deemed necessary. The Owner shall have ten (10) days after receipt of such notice within which to complete such maintenance, repair, or replacement, or, in the event that such maintenance, repair, or replacement is not capable of completion within a ten (10) day period, to commence such work, which shall be completed within a reasonable time. If any Owner does not comply with the provisions hereof, the Association may provide any such maintenance, repair, or replacement at such Owner's sole cost and expense, and all costs shall be assessed against the Owner as a special assessment.

**6.3 Conveyance of Common Area by Declarant to Association.** The Declarant may convey to the Association any personal property, any improved or unimproved real property, leasehold, easement, or other property interest located within or adjacent to the Community. Such conveyance shall be accepted by the Association, and the property shall thereafter be Common Area to be maintained by the Association for the benefit of all or a part of its members. Declarant shall not be required to make any

improvements whatsoever to property to be conveyed and accepted pursuant to this Section.

## **ARTICLE VII**

### **ARCHITECTURAL REVIEW**

**7.1 Purpose.** In order to maintain a high quality residential development, to assure that all houses and other structures are of appropriate size, harmonious in design, properly located in relationship to neighboring structures and adapted to the terrain of each Lot, Declarant has retained full architectural control as herein provided. Accordingly, no building, fence, wall or other structure of any kind, or alterations or additions or change of exterior appearance thereto shall be commenced, erected or maintained upon the Property or any Lot until the plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted to and approved in writing by Declarant or by the Architectural Control Committee, as defined in Section 7.2 of this Article.

#### **7.2 Architectural Review Committee.**

(a) So long as Declarant owns any portion of the property subjected to this Declaration, the "Architectural Review Committee" shall mean the Declarant, unless Declarant shall elect to transfer such control to the Association or to an Architectural Review Committee whose members shall be Lot Owners.

(b) The Architectural Review Committee may be established such that it is divided into two (2) subcommittees, with one (1) subcommittee having jurisdiction over modifications and the other having jurisdiction over new construction.

(c) The Board may employ architects, engineers, or other persons as it deems necessary to enable the Architectural Review Committee to perform its review.

(d) The Architectural Review Committee may, from time to time, delegate any of its rights or responsibilities hereunder to one (1) or more duly licensed architects or other qualified Persons, which shall have full authority to act on behalf of the committee for all matters delegated.

(e) Written design guidelines and procedures shall be promulgated for the exercise of this review, which guidelines may be provided to Owners for a reasonable fee.

(f) So long as the Declarant owns any property for development or sale in the Community, the Declarant shall have the right to appoint all members of the Architectural Review Committee. Upon the expiration or earlier surrender in writing of such right, the Board shall appoint the members of the Architectural Review Committee.

(g) At such time as all of the Lots in the Community have been fully developed, permanent improvements constructed thereon, and such Lots have been sold to permanent residents, or at such time as Declarant desires to transfer control to an Architectural Review Committee, the Declarant shall notify the President of the Board of Directors of the Association to that effect. Declarant will then execute a written instrument transferring control to the Board of Directors of the Association and record it in the office of the Register of Deeds for **Spartanburg** County, South Carolina. Thereupon, the Declarant's rights and obligations as the Architectural Review Committee shall forthwith terminate; and, thereafter, the Board of Directors of the Association shall have the right, power, authority, and obligation to establish a successor Architectural Review Committee and prescribe rules and regulations pursuant to which such Committee shall serve and act. Any such successor Architectural Review Committee shall be composed of at least three (3) but not more than seven (7) Owners. The term of each committee member shall be determined by the Board of Directors of the Association.

### **7.3 Review and Approval of Plans.**

(a) No building, fence, wall or other structure of any kind, or alteration or addition or change of exterior appearance thereto, may be commenced, erected or maintained on any Lot, until two (2) sets of plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted to the Architectural Review Committee for written approval (i) as to conformity and harmony of external design and general quality with the standards of the Community and (ii) as to the location of structures in relation to surrounding structures and topography and finished ground elevation. The Architectural Review Committee reserves the right in its sole discretion to approve or disapprove all plans and specifications submitted. In the event the Architectural Review Committee fails to approve or disapprove such design and location within forty-five (45) days after said plans and specifications have been submitted in writing, Owner shall, by certified mail to the Architectural Review Committee, addressed to the office of the Architectural Review Committee, state the date the plans were submitted originally, the date of the plans, the person preparing the plans and a request for approval. If Owner has not received a reply from the Architectural Review Committee within thirty (30) days of the date such notice was received, the approval by the Architectural Review Committee will not be required.

(b) As a condition of approval under this Section, each Owner, on behalf of such Owner and such Owner's successors-in-interest, shall assume all responsibilities for maintenance, repair, replacement, and insurance to and on any change, modification, addition, or alteration. In the discretion of the Architectural Review Committee, an Owner may be made to verify such condition of approval by a recordable written instrument acknowledged by such Owner on behalf of such Owner and such Owner's successors-in-interest. The Architectural Review Committee shall be the sole arbiter of such plans and may withhold approval for any reason, including purely aesthetic considerations, and it shall be entitled to stop any construction that is in violation of these restrictions. Any Board member or its representatives shall have the right, during reasonable hours and after reasonable notice, to enter upon any property to inspect for the

purpose of ascertaining whether or not these Persons shall not be deemed guilty of trespass by reason of such entry. In addition to any other remedies available to the Association, in the event of noncompliance with this Section, the Board may, as provided in this Declaration, record in the appropriate land records a notice of violation naming the violating Owner.

(c) Such plans and specifications shall be in such form and shall contain such information as may be reasonably required by the Architectural Review Committee including, but not being limited to:

(1) a site plan showing the location of all proposed and existing structures on the Lot including building setbacks, open space, driveways, walkways and parking spaces, including the number thereof;

(2) a foundation plan;

(3) a floor plan;

(4) exterior elevations with cross-sections of all proposed structures and alterations to existing structures, as such structures which will appear after all backfilling and landscaping are completed;

(5) specifications of materials, color scheme, lighting schemes and other details affecting the exterior appearance of all proposed structures and alterations to existing structures; and

(6) plans for landscaping and grading.

(d) Upon approval by the Architectural Review Committee of any plans and specifications submitted pursuant to this Declaration, a copy of such plans and specifications, as approved, shall be deposited for permanent record with the Architectural Review Committee and a copy of such plans and specifications bearing such approval, in writing, shall be returned to the applicant submitting the same. Approval for use in connection with any Lot or structure of any plans and specifications shall not be deemed a waiver of the Architectural Review Committee's right, in its discretion, to disapprove similar plans and specifications or any of the features or elements included therein if such plans, specifications, features or elements are subsequently submitted for use in connection with any other Lot or structure. Approval of any such plans and specifications relating to any Lot or structure, however, shall be final as to that Lot and structure and such approval may not be rescinded thereafter, provided that there has been strict adherence to, and compliance with, such plans and specifications, as approved, and any conditions attached to any such approval.

(e) Neither Declarant, nor any member of the Architectural Review Committee shall be responsible or liable in any way for any defects in any plans or

specifications approved by the Architectural Review Committee, nor any structural defects in any work done according to such plans and specifications or for the location of the house rough-staked on any Lot. Further, neither Declarant, nor any member of the Architectural Review Committee, shall be liable in damages to anyone submitting plans or specifications for approval under this Article, or to any Owner affected by this Declaration by reason of mistake in judgment, negligence, or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications or the location of any such house. Every person who submits plans or specifications to the Architectural Review Committee for approval agrees, by submission of such plans and specifications, and every Owner of any Lot agrees, that he will not bring any action or suit against Declarant, or any member of the Architectural Review Committee, to recover for damages, and such right, if any, to institute any action or suit, is waived.

(f) During construction, any employee or agent of the Architectural Review Committee may, after reasonable notice, at any reasonable time, enter upon any Lot and structure thereon for the purpose of ascertaining compliance with the provisions of the Declaration; and neither the Architectural Review Committee, nor any such agent shall be deemed to have committed a trespass or other wrongful act by reason of such entry or inspection.

**7.4 Violations.** If any structure shall be erected, placed, maintained or altered upon any Lot, other than in accordance with the plans and specifications approved by the Architectural Review Committee, such erection, placement, maintenance or alteration shall be deemed to have been undertaken in violation of this Article. If, in the opinion of the Declarant, or the Board of Directors of the Association upon recommendation of the Architectural Review Committee, such violation shall have occurred, the Board of Directors shall provide written notice to the Owner by certified mail, setting forth the nature of the violation and the specific action required to remedy the violation. If the Owner shall not have taken reasonable steps toward the required remedial action within thirty (30) days after the receipt of the aforesaid notice of violation, then the Board of Directors of the Association or Declarant shall have the right to file a lien against such Owner's Lot, proceed at law or in equity for the recovery of damages, or for injunctive relief or both.

**7.5 Declarant's Reservation of Rights.** Notwithstanding anything herein to the contrary, for so long as Declarant owns at least one (1) Lot in the Community and follows the general plan of development of the Community as previously approved by municipal or county regulatory authorities, Declarant may approve any plans and specifications rejected by the Architectural Review Committee or the Board of Directors for the construction of initial improvements on any Lot provided the initial improvements are approved by municipal or county regulatory authorities. Such approval by Declarant shall operate and have the same effect as approval by the Architectural Review Committee or the Board of Directors.

**ARTICLE VIII**  
**USE RESTRICTIONS AND RULES**

**8.1 General.** This Section sets out certain use restrictions which must be complied with by all Owners and Occupants. These use restrictions may only be amended as provided in this Declaration. In addition, the Board may, from time to time, without consent of the members, promulgate, modify, or delete other use restrictions and rules and regulations applicable to the Community. Such use restrictions and rules shall be distributed to all Owners and Occupants prior to the date that they are to become effective and shall thereafter be binding upon all Owners and Occupants until and unless overruled, canceled, or modified in a regular or special meeting by a majority of the Total Association Vote.

**8.2 Residential Use.**

(a) All Lots shall be used for residential purposes exclusively. No business or business activity shall be carried on in or upon any Lot at any time, except with the written approval of the Board. The provisions of this Section shall not apply to the Common Area. Leasing of a Lot to an Occupant for use as a residence shall not be considered a business or business activity. Private offices may be maintained in dwellings located on any of the Lots so long as such use is incidental to the primary residential use of the dwelling.

(b) The Board, by prior written approval, may permit, but shall not be obligated to allow, a Lot to be used for business purposes so long as such business, in the sole discretion of the Board, does not otherwise violate the provisions of the Declaration or By-Laws, does not create a disturbance, and does not unduly increase traffic flow or parking congestion and complies with all local government requirements for permits, zoning and other regulations. The Board may issue rules regarding permitted business activities.

(c) The Declarant or its designee shall have the right to operate a sales office and a construction office from one or more Lots within the Community specifically including, but not limited to, maintaining business offices, storage areas, construction yards and equipment, signs and sales offices.

**8.3 Subdivision of Lots.**

(a) No lot or contiguous group of Lots may be subdivided or replatted in any manner which would bring about a greater number of Lots, except by Declarant. Declarant hereby expressly reserves the right to subdivide, reduce, enlarge or change the boundary lines of any Lot, including the right to replat any Lot or Lots owned by Declarant. Any such division, boundary line change, or replatting shall not be in violation of the applicable subdivision and zoning regulations. Declarant's right to replat any Lot shall include the right to increase or decrease the size of any Lot, combine Lots or portions thereof, change

the configuration of streets and otherwise make changes on the final plat for the Community as to how the streets and common areas in the Community are laid out.

(b) No Lot shall be subdivided, reduced in size or its boundary lines changed, except by Declarant, without the prior written approval of the Architectural Review Committee. The Architectural Review Committee may, but shall not be obligated to, allow adjacent Lot Owners or purchasers to acquire an additional Lot or Lots, or a portion thereof, for the purpose of adding said Lot or Lots, or such portion, to the Lots already owned or being purchased by them when approved, in advance, in writing, by the Architectural Review Committee. In such case, where less than a full Lot is involved, the portion of such additional Lot shall be merged with and become an integral part of the Lot which is already owned or is being purchased by the buyer of such Lot, and, in such event, shall be subject to these restrictions as one Lot and the building line requirements provided herein shall apply to such Lots as resubdivided or combined.

**8.4 Building Size Requirements.** No residence shall be permitted on any Lot with less than twelve hundred (1,200) square feet of heated and air conditioned living areas of the main structure, exclusive of open porches, garages, carports, screened porches, and all unfinished basement or other interior spaces, calculated from exterior dimensions. No building shall be erected, altered, placed, or permitted to remain on any Lot other than one-single family residence not to exceed three and one-half (3-1/2) stories in height. The term "story" or "stories" shall include any garage, basement or similar area.

#### **8.5 Setbacks and Building Lines.**

(a) In no event shall any dwelling be erected and located upon any such Lot closer to the front property line, closer to the rear property line and closer to the side property lines than those setback measurements shown on recorded plats of the Community filed by the Declarant, or as may be determined by the Declarant or the Architectural Review Committee, after Declarant has transferred control of the Association to the Lot Owners. The area included within these setback lines is the buildable area. All enclosed areas of the residence must be contained within the buildable area; provided, however, eaves, overhangs or gutters and foundations may extend beyond the buildable area if approved by the Architectural Review Committee.

(b) No building shall be erected or maintained so as to encroach upon any maintenance, utility or drainage easement.

(c) The Architectural Review Committee, in its sole discretion, may vary any or all of the front, rear, and/or side setback lines by not more than twenty-five (25%) percent of the distance required herein and may vary the square footage by not more than ten (10%) percent of the square footage required herein; provided, however, that so long as Declarant owns any property in the Community, Declarant shall have the right to vary such setback lines and square footage requirements by any amount, in its sole discretion. After Declarant turns over control of the Architectural Review Committee to the

Association, any variance by the Architectural Review Committee in excess of the twenty-five (25%) percent for the setback lines and ten (10%) percent for the square footage requirements must be approved by the Owners holding not less than a majority of the voting membership.

**8.6 Walls and Fences.** No fence or wall shall be erected, placed or altered on any Lot nearer to any street than the said minimum front building setback line unless the same be retaining walls which do not in any event rise above the finished grade elevation of the earth embankment so retained, reinforced, or stabilized, except that this restriction shall not apply to fences or walls which have been approved by the Architectural Review Committee pursuant to this Declaration. The exposed part of the retaining walls shall be made of such material as is approved in writing in advance by the Architectural Review Committee.

**8.7 Terraces, Detached Garages and Eaves.** For the purpose of determining compliance or non-compliance with the foregoing building line requirements, terraces, stoops, eaves, wing-walls, and steps shall be considered as a part of the structure. All detached structures shall be placed to the rear of the main dwelling unless approved otherwise in writing by the Architectural Review Committee.

**8.8 Fences.** No fence or fencing type barrier of any kind shall be placed, erected, allowed, or maintained upon any Lot without the prior written consent of the Architectural Review Committee. Under no circumstances shall any fence be placed, erected, allowed, or maintained upon any Lot closer to the street than the rear one-third (1/3) of the residence located on the Lot. (Privacy fencing constructed no more than six (6) feet in height shall be preferred by the Architectural Review Committee.) Notwithstanding the foregoing, the Declarant shall have the right to erect fencing of any type, at any location, on any Lot during the period that such Lot is being used by Declarant as a model home. The Board of Directors shall have the right to erect fencing of any type considered appropriate or desirable by the Board at any location on the Common Area.

**8.9 Storage Sheds and Garages.** Construction, installation, or placement of a storage shed, tree house, play house, detached garage, or a building separate from the main house on the Lot is not permitted without the prior written consent of the Architectural Review Committee, in its sole discretion. All plans (which must include the length, width, height, materials, colors, and location) must be submitted to the Architectural Review Committee for written approval prior to obtaining building permits or starting construction. The structure must be constructed, installed, or placed in a location inconspicuous as much as possible from public view. No two-story structures of this nature are permitted on any Lot within the Community. All materials used in the construction of such buildings must match the main dwelling located on the Lot.

**8.10 Compliance with Zoning and Subdivision Regulations.** In no event shall any residence be erected and located upon any Lot in a manner which violates the requirements and provisions of the applicable city or county zoning ordinances and subdivision regulations in effect where the Community is located.

**8.11 Obstructions to View at Intersection.** All property located at street intersections shall be landscaped so as to permit safe sight across the street corners. No fence, wall, hedge, or shrub planting shall be placed or permitted to remain where it would create a traffic or sight problem. The lower branches of trees and other vegetation shall not be permitted to obstruct the view at intersections and it shall be the responsibility of the respective Lot Owner upon whose Lot such branches or vegetation exist to insure that the view of traffic at intersections is unimpeded.

**8.12 Completion of Construction.** All improvements commenced on any Lot in the Community shall be prosecuted diligently to completion and shall be completed within one (1) year from its commencement, unless such improvements are being constructed by Declarant, or unless an exception is granted in writing by the Architectural Review Committee. If an improvement is commenced and construction is then abandoned for more than ninety (90) days, or if construction is not completed within the required one-year period, then after notice to the Owner of the Lot, the Association shall have the right to impose a fine of Five Hundred and no/hundredths (\$500.00) Dollars per day, or such other amount as the Association shall deem appropriate, on the Owner of the Lot until construction is resumed, or the improvement is completed, unless the Owner can prove to the satisfaction of the Architectural Review Committee that such abandonment is due to circumstances beyond the Owner's control. Such charges shall be considered a default assessment and lien as provided in hereinabove. Landscaping shall be completed within ninety (90) days after the completion of an improvement on the Lot or a fine of Ten and no/hundredths (\$10.00) Dollars per day, or such other amount as the Association may deem appropriate, shall be levied against the Lot Owner. The Association may also take appropriate court action, whether at law or in equity, to compel the immediate completion of any residence not completed within one (1) year from the date of commencement of construction.

**8.13 Aesthetics, Nature Growth.** *(The provisions of this paragraph shall not apply to the Declarant or Four Bees, Inc.)* Trees which have a diameter in excess of four (4) inches measured two (2) feet above the ground and distinctive flora shall not be intentionally destroyed or removed except with the prior written approval of the Architectural Review Committee. Prior to clearing any Lot for the construction of a house and/or other structure, the Owner and/or builder must first rough-stake the house and intended location of driveway(s) on the Lot and obtain the prior written approval of the Architectural Review Committee as to the location of the house and/or structures that they are in compliance with the plans and specifications submitted to the Architectural Review Committee as described herein. Once written approval is received from the Architectural Review Committee as to the location of the rough-staking, all vegetation within ten (10) feet of the approved location of the construction may be removed with consideration for the remaining vegetation. In the event the Architectural Review Committee fails to approve or disapprove the location of the rough-staked structures within thirty (30) business days from the date it received notice in writing that said structure has been rough-staked, approval shall be deemed given by the Architectural Review Committee.

**8.14 Delivery Receptacles, Property Identification Markers and all other Streetscapes.** All mailboxes, property identification markers, entrance gates, fences, lights and all other streetscapes must conform to the design standards established by and on file with the Architectural Review Committee.

**8.15 Signs.** No sign of any kind shall be erected by an Owner or Occupant within the Community without the prior written consent of the Architectural Review Committee. Notwithstanding the foregoing, the Board and the Declarant shall have the right to erect reasonable and appropriate signs. "For Sale" and "For Rent" signs and security signs consistent with the Community-Wide Standard and any signs required by legal proceedings may be erected upon any Lot. The provisions of this Section shall not apply to any Person holding a Mortgage who becomes the Owner of any Lot as purchaser at a judicial or foreclosure sale conducted with respect to a first Mortgage or as transferee pursuant to any proceeding in lieu thereof.

**8.16 Vehicles and Parking.** The term "vehicles," as used herein, shall include, without limitation, motor homes, boats, trailers, motorcycles, minibikes, scooters, go-carts, trucks, campers, buses, vans, and automobiles.

(a) All Residences within the subdivision shall contain a garage. Carports shall not be permitted. Garage doors shall be kept closed at all times, except during times of ingress and egress from the garage.

(b) Vehicles shall not be parked in any front or side yard except in areas designated as a driveway or parking area or as approved by the Board. Unlicensed, unregistered or inoperable vehicles shall not be stored upon any portion of a Lot unless the same are fully enclosed in a garage or in another area specifically designated by the Board. Visiting guests only may use paved streets for temporary parking of their vehicles. All Owners must park their vehicles in designated parking areas or the garages on their Lot.

(c) The parking of commercial vehicles within the subdivision will only be allowed with the approval of the Board.

(d) Upon request of Declarant or the Board, such vehicles identified in **8.16(b)** and **8.16(c)** above must be removed by the Owner. The Association shall have the right to remove any such vehicle if not removed by the Owner within ten (10) days of notice, and the costs of such removal shall be an assessment against such Owner.

(e) Trucks with mounted campers which are an Owner's or Occupant's primary means of transportation shall not be considered recreational vehicles, provided they are used on a regular basis for transportation and the camper is stored out of public view upon removal.

(f) No motorized vehicles shall be permitted on pathways or unpaved Common Area except for public safety vehicles and vehicles authorized by the Board.

**8.17 Leasing.** Lots may be leased for residential purposes. All leases shall have a minimum term of at least six (6) months. All leases shall require, without limitation, that the tenant acknowledge receipt of a copy of the Declaration, By-Laws, use restrictions, and rules and regulations of the Association. The lease shall also obligate the tenant to comply with the foregoing and shall provide that in the event of noncompliance, the Board, in addition to any other remedies available to it, may evict the tenant on behalf of the Owner and specifically assess all costs associated therewith against the Owner and the Owner's property.

**8.18 Occupants Bound.** All provisions of the Declaration, By-Laws, and of any rules and regulations, use restrictions, or design guidelines promulgated pursuant thereto which govern the conduct of Owners and which provide for sanctions against Owners shall also apply to all Occupants even though Occupants are not specifically mentioned. Fines may be levied against Owners or Occupants. If a fine is first levied against an Occupant and is not paid in a reasonable period of time, the fine may then be levied against the Owner, but shall, if not paid, remain the responsibility of the Owner.

**8.19 Clothes Lines and Garbage Containers.** No clothes lines, exposed garbage containers (except for local governmental required containers) equipment and other unsightly objects are to be erected or used on any Lot except when they are screened to conceal such items from the streets and adjoining properties and general view. All residential utility service lines to residences shall be underground. All fuel tanks must be buried.

**8.20 Garbage and Refuse Disposal.**

(a) No Lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste shall not be kept on the Lots, except in sanitary containers. All equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition. **ARTICLE IX**  
**INSURANCE AND CASUALTY LOSSES**

**9.1 Insurance on Common Area.** The Board of Directors or the duly authorized agent of the Association shall have the authority to, and shall obtain, insurance for all insurable improvements located on the Common Area which the Association is obligated to maintain. This insurance shall provide, at a minimum fire and extended coverage, including vandalism and malicious mischief, and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. Alternatively, the Board may purchase "all-risk" coverage in like amounts.

**9.2 Liability Insurance.** The Board shall obtain a general commercial liability policy applicable to the Common Area covering the Association and its members for all damage or injury caused by the negligence of the Association or any of its members or agents. The public liability policy shall have a combined single limit of at least one million (\$1,000,000.00) dollars. If available, the Board is also authorized to obtain directors' and officers' liability insurance coverage.

**9.3 Insurance Coverage Through Declarant.** The Board is authorized to obtain the insurance coverage required hereunder through the Declarant and to reimburse Declarant for the cost thereof. The Board shall not be required to comply with the provisions of this Section if it has contracted for or otherwise arranged to obtain the required insurance coverage through the Declarant.

**9.4 Premiums.** Premiums for all insurance shall be common expenses of the Association. The policies may contain a reasonable deductible, and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the insurance at least equals the full replacement cost.

**9.5 Miscellaneous.** All such insurance coverage obtained by the Board of Directors shall be written in the name of the Association, as trustee for the respective benefited parties, as further identified below. Such insurance shall comply with these provisions:

(a) All policies shall be written with a company licensed to do business in South Carolina, with a rating of not less than "A" as determined by *Best's Key Rating Guide*, or if no longer available, by another comparable rating guide.

(b) Exclusive authority to settle losses under policies obtained by the Association shall be vested in the Association's Board of Directors; however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto.

(c) In no event shall the insurance coverage obtained and maintained by the Association be brought into contribution with insurance purchased by individual

Owners, Occupants, or their Mortgagees, and the insurance carried by the Association shall be primary.

(d) All casualty insurance policies shall have an inflation guard endorsement and an agreed amount endorsement if these are reasonably available and all insurance policies shall be reviewed annually.

(e) The Association's Board of Directors shall be required to make every reasonable effort to secure insurance policies that will provide for the following:

(1) A waiver of subrogation by the insurer as to any claims against the Association's Board of Directors, its manager, the Owners, and Occupants and their respective tenants, servants, agents, and guests;

(2) A waiver by the insurer of its rights to repair and reconstruct instead of paying cash;

(3) That no policy may be cancelled, invalidated, or suspended on account of any one or more individual Owners;

(4) That no policy may be cancelled, subjected to non-renewal, invalidated, or suspended on account of any defect or the conduct of any director, officer, or employee of the Association or its duly authorized manager without prior demand in writing delivered to the Association to cure the defect or to cease the conduct, and the allowance of a reasonable time thereafter within which a cure may be effected by the Association, its manager, any Owner, or Mortgagee;

(5) That any "other insurance" clause in any policy exclude individual Owners' policies from consideration; and

(6) That no policy may be canceled, subjected to non-renewal, or substantially modified without at least thirty (30) days prior written notice to the Association.

(f) In addition to the other insurance required by this Section, the Board shall obtain worker's compensation insurance to the extent necessary to satisfy the requirements of applicable laws, and shall obtain a fidelity bond or bonds on directors, officers, employees, and other persons handling or responsible for the Association's funds, if reasonably available. If obtained, the amount of fidelity coverage shall be determined in the minimum amount of three (3) months' assessments plus reserves on hand. Bonds shall contain a waiver of all defenses provision based upon the exclusion of persons serving without compensation and may not be canceled, subjected to non-renewal, or substantially modified without at least thirty (30) days prior written notice to the Association. The Association shall also obtain construction code endorsements, steam boiler coverage, and flood insurance, if and to the extent necessary to satisfy the requirements of the, Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, and the U.S. Department of Veterans Affairs, or the U.S. Department of Housing and

Urban Development.

**9.6 Individual Insurance.** By virtue of taking title to a Lot subject to the terms of this Declaration, each Owner acknowledges that the Association has no obligation to provide any insurance for any portion of individual Lots, and each Owner covenants and agrees with all other Owners and with the Association that each Owner shall carry blanket "all-risk" casualty insurance on the Lot and all structures constructed thereon and a liability policy covering damage or injury occurring on a Lot. The casualty insurance shall cover loss or damage by fire and other hazards commonly insured under an "all-risk" policy, if reasonably available, including vandalism and malicious mischief, and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. If all-risk coverage is not reasonably available, Owners shall obtain, at a minimum, fire and extended coverage. The policies required hereunder shall be in effect at all times. Authority to adjust losses under policies obtained by an Owner shall be vested in the Owner. The losses under policies obtained by an Owner shall be vested in the Owner. The Association shall have the right, but not the obligation, at the expense of the Owner, to acquire the insurance required to be maintained by the Owner if the Owner fails to provide a valid policy to the Association with a prepaid receipt within ten (10) days after receipt by the Owner of a written request from the Association. If the Association does acquire insurance on behalf of any Owner, the cost thereof shall be assessed against the Owner and the Lot as a special assessment.

**9.7 Damage and Destruction-- Insured by Association.**

**(a) In General.** Immediately after damage or destruction by fire or other casualty to all or any portion of any improvement covered by insurance written in the name of the Association, the Board, or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this Section, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes. The Board shall have the enforcement powers specified in this Declaration necessary to enforce this provision.

**(b) Repair and Reconstruction.** Any damage or destruction to property covered by insurance written in the name of the Association shall be repaired or reconstructed unless, within sixty (60) days after the casualty, at least seventy-five (75%) percent of the Total Association Vote otherwise agree. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within such period, then the period shall be extended until such information shall be made available; however, such extension shall not exceed sixty (60) days. No Mortgagee shall have the right to participate in the determination of whether damage or destruction shall be repaired or reconstructed.

(c) If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed, and such proceeds are not sufficient to defray the cost thereof, the Board shall, without the necessity of a vote of the Association's members, levy a special assessment against all Owners in proportion to the number of Lots owned by such Owners. Additional assessments may be made in like manner at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the costs of repair or reconstruction or if the improvements are not repaired or reconstructed, such excess shall be deposited to the benefit of the Association.

(d) In the event that it is determined by the Association in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event, the property shall be restored to its natural state and maintained as an undeveloped portion of the Community by the Association in a neat and attractive condition.

**9.8 Damage and Destruction – Insured by Owners.** The damage or destruction by fire or other casualty to all or any portion of any improvement on a Lot shall be repaired by the Owner thereof within seventy-five (75) days after such damage or destruction or, where repairs cannot be completed within seventy-five (75) days, they shall be commenced within such period and shall be completed within a reasonable time thereafter. Alternatively, the Owner may elect to demolish all improvements on the Lot and remove all debris therefrom within seventy-five (75) days after such damage or destruction. In the event of noncompliance with this provision, the Board shall have all enforcement powers specified in this Declaration.

**9.9 Insurance Deductible.** In the event of damage or destruction to the Common Areas or other areas or improvements maintained by the Association, the deductible for any casualty insurance policy carried by the Association shall be paid by the Association, but the Association may allocate the cost thereof among any Persons who are responsible, in whole or in part, for such damage or destruction.

## **ARTICLE X CONDEMNATION**

**ARTICLE XI**  
**ANNEXATION OF ADDITIONAL PROPERTY**

**11.1 Unilateral Annexation By Declarant.**

(f) The rights reserved unto Declarant to subject additional land to the Declaration shall not impose any obligation upon Declarant to subject any of such additional land to this Declaration or to the jurisdiction of the Association. If such additional land is not subjected to this Declaration, Declarant's reserved rights shall not impose any obligation on Declarant to impose any covenants and restrictions similar to those contained herein upon such additional land nor shall such rights in any manner limit or restrict the use to which such additional land may be put by Declarant or any subsequent Owner thereof, whether such uses are consistent with the covenants and restrictions imposed hereby or not.

**11.2 Other Annexation.** Subject to the consent of the owner(s) thereof and the consent of the Declarant (so long as the Declarant owns any property in the Community or has the right to unilaterally annex additional property to the Community), upon the affirmative vote or written consent, or any combination thereof, of the Owners of at least two-thirds (2/3) of the Lots, the Association may annex any other real property not

DEED 83-R PG 450

**11.3 Withdrawal of Property.** So long as Declarant owns any portion of the property subject to this Declaration, whether improved or unimproved, the Declarant reserves the right to amend this Declaration for the purpose of removing any portion of the Community which has not been improved with residential dwellings from the provisions of this Declaration. Such amendment shall not require the consent of any Person other than the Owner of the property to be withdrawn, if not the Declarant.

**12.6 Amendments by Board.** Should the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, HUD, or VA subsequently delete any of their respective requirements which necessitate the provisions of this Article or make any such requirements less stringent, the Board, without approval of the Owners, may cause an amendment to this Article to be recorded to reflect such changes.

**14.3 Easements for Utilities.** There is hereby reserved to the Declarant and the Association blanket easements upon, across, above, and under all property within the Community, including all Lots, for access, ingress, egress, installation, repairing, replacing, and maintaining all utilities serving the Community or any portion thereof. This easement shall include, without limitation, gas, water, sanitary sewer, telephone, electricity, cable television, security, as well as storm drainage and any other service or system which the Declarant or the Association might decide to have installed to service the Community. It shall be expressly permissible for the Declarant, the Association, or the designee of either, as the case may be, to install, repair, replace, and maintain or to authorize the installation, repairing, replacing, and maintaining of such wires, conduits, pipes, cables, and other equipment related to the providing of any such utility or service. Should any party furnishing any such utility or service request a specific license or easement by separate recordable document, the Declarant or the Board, as the case may be, shall have the right to grant such easement over all areas within the Community, including but not limited to Lots and Common Areas.

**14.4 Easement for Drainage.** Declarant hereby reserves a perpetual easement across all Community property for the purpose of altering drainage and water across all Community property for the purpose of altering drainage and water flow. This right shall include, but is not limited to, altering swales, installing drains, drainage ditches, pipes, inlets, headwalls, and altering channeling, or piping waterflow across any Lot or any property in the Community. Rights exercised pursuant to this reserved easement shall be exercised with a minimum of interference to the quiet enjoyment of affected property, reasonable steps shall be taken to protect such property, and damage shall be repaired by the Person causing the damage at its sole expense.

**14.5 Easement for Entry.** In addition to the other rights reserved to Declarant and the Association, the Declarant or the Association shall have the right (but not the obligation) to enter upon any property or Lot within the Community for emergency, security, and safety reasons. This right may be exercised by the Declarant or its designee, any officer of the Board, and all governmental employees, policemen, firemen, ambulance personnel, and similar emergency personnel in the performance of their respective duties. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner, and the entering party shall be responsible for any damage caused. This right of entry shall include the right of the Board to enter to cure any condition which may increase the possibility of a fire, slope erosion, or other hazard or condition in the event an Owner or Occupant fails or refuses to cure the condition upon request by the Board.

**14.6 Easement for Maintenance.** Declarant hereby expressly reserves a perpetual easement for the benefit of Declarant or the Association across such portions of the Community, determined in the sole discretion of the Declarant and the Association, as

are necessary to allow for the maintenance required by this Declaration. Such maintenance shall be performed with a minimum of interference to the quiet enjoyment to Owners' property, reasonable steps shall be taken to protect such property, and damage shall be repaired by the Person causing the damage at its sole expense.

**14.7 Easement for Entry Features.** There is hereby reserved to the Declarant and the Association an easement for ingress, egress, installation, construction, landscaping, and maintenance of entry features and similar streetscapes for the Community, over and upon each Lot as more fully described on the recorded subdivision plats for the Community. The easement and right herein reserved shall include the right to cut, remove, and plant trees, shrubbery, flowers, and other vegetation around such entry features and the right to grade the land under and around such entry features.

**14.8 Construction and Sale Period Easement.** Notwithstanding any provisions contained in the Declaration, the By-Laws, Articles of Incorporation, use restrictions, rules and regulations, design guidelines, and any amendments thereto, until Declarant's right unilaterally to subject property to this Declaration terminates and thereafter so long as Declarant owns any property in the Community for development or sale, Declarant reserves an easement across the Community to enable Declarant and any builder or developer approved by Declarant to maintain and carry on such development and construction activities as Declarant may reasonably deem necessary upon any portion of the Community. This reserved easement shall include an easement for such facilities and activities which, in the sole opinion of Declarant, may be required, convenient, or incidental to the development, construction, and sales activities related to property within or near the Community. This easement shall include, without limitation:

- (a) the right of access, ingress, and egress for vehicular and pedestrian traffic and construction activities over, under, on, or in any portion of the Community as well as any Lot in the Community;
- (b) the right to tie into any portion of the Community with driveways, parking areas, and walkways;
- (c) the right to tie into or otherwise connect and use (without a tap-on or any other fee for so doing), replace, relocate, maintain, and repair any device which provides utility or similar services;
- (d) the right (but not the obligation) to construct recreational facilities on Common Area;
- (e) the right to carry on sales and promotional activities in the Community;
- (f) the right to place direction and marketing signs on any portion of the Community, including any Lot or Common Area;
- (g) the right to construct and operate business offices, signs, construction

trailers, model residences, and sales offices incidental to the construction, development, and sales activities; and

(h) Declarant and any such builder or developer may use residences, offices, or other buildings owned or leased by Declarant or such builder or developer as model residences and sales offices, and may also use recreational facilities available for use by the Community as a sales office or for marketing purposes without charge. Rights exercised pursuant to such reserved easement shall be exercised with a minimum of interference to the quiet enjoyment of affected property, and reasonable steps shall be taken to protect such property from damage. Any damage shall be repaired by the Person causing the damage at its sole expense. This Section shall not be amended without the Declarant's express written consent until the Declarant's rights hereunder have terminated as provided in this Declaration.

**14.9 Irrigation Easements.** There is hereby reserved to the Declarant and the Association a blanket easement to pump water from streams and other bodies of water located within the Community for irrigation purposes.

**14.10 Fence Easement.** Declarant hereby reserves an easement across any Lot which borders upon or contains a portion of any water facility, detention pond, or retention pond for the purpose of access to such facility or pond, and for the purpose of erecting any fence which is either required by the subdivision development and construction plans or governmental regulation, rule, ordinance, or plan approval requirement.

## **ARTICLE XV**

### **GENERAL PROVISIONS**

**15.1 Enforcement.** Each Owner and Occupant shall comply strictly with the Bylaws, the rules and regulations, the use restrictions, as they may be lawfully amended or modified from time to time, and with the covenants, conditions, and restrictions set forth in this Declaration and any such restrictions which may be placed in the deed to such Owner's Lot, if any. The Board may impose fines or other sanctions, which shall be collected as provided herein for the collection of assessments. Failure to comply with this Declaration, the Bylaws, or the rules and regulations shall be grounds for an action to recover sums due for damages or injunctive relief, or both, maintainable by the Board of Directors, on behalf of the Association, or in a proper case, by an aggrieved Owner. Failure by the Association or any Owner to enforce any of the foregoing shall in no event be deemed a waiver of the right to do so thereafter. The Board shall have the right to record in the appropriate land records a notice of lien, a notice of violation of the Declaration, Bylaws, rules and regulations, use restrictions, or design guidelines and to assess the cost of recording and removing such notice against the Owner who is responsible (or whose Occupants are responsible) for violating the foregoing. In the event that any enforcement action as contemplated herein is brought by the Association, the violating Owner shall be

responsible for the actual attorneys fees and costs incurred by the Association in such action. Any such attorneys fees and costs assessed against an Owner shall constitute a lien on that Owner's Lot and shall be collected as provided herein for the collection of assessments.

**15.2 Self-Help.** In addition to any other remedies provided for herein, the Association or its duly authorized agent shall have the power to enter upon any Lot or any other portion of the Community to abate or remove, using such force as may be reasonably necessary, any structure, thing, or condition which violates this Declaration, the Bylaws, the rules and regulations, or the use restriction. Unless an emergency situation exists, the Board shall give the violating Lot Owner ten (10) days written notice of its intent to exercise self-help. Notwithstanding the foregoing, vehicles may be towed after reasonable notice. All costs of self-help, including reasonable attorney's fees, shall be assessed against the violating Lot Owner and shall be collected as provided for herein for the collection of assessments.

**15.3 Duration.** The covenants and restrictions of this Declaration shall run with and bind the Community, and shall inure to the benefit of and shall be enforceable by Declarant, the Association or any Owner, their respective legal representatives, heirs, successors, and assigns perpetually to the extent provided by law. If South Carolina law limits the period during which covenants restricting lands to certain uses may run, any provision of this Declaration affected thereby shall run with and bind the land so long as permitted by such law, after which time any such provision shall be automatically extended for successive periods of ten (10) years, unless a written instrument reflecting disapproval signed by the then Owners of 2/3 of the Lots and the Declarant (if the Declarant still owns any property in the Community or has the right to annex additional property) is recorded within the year immediately preceding the beginning of a ten (10) year renewal period.

**15.4 Amendment.** This Declaration may be amended unilaterally at any time and from time to time by Declarant (a) if such amendment is necessary to bring any provision hereof into compliance with any applicable governmental statute, rule or regulation, or judicial determination which shall be in conflict therewith; (b) if such amendment is necessary to enable any title insurance company to issue title insurance coverage with respect to the Lots subject to this Declaration; (c) if such amendment is required by an institutional or governmental lender or purchaser of mortgage loans, including, for example, the Federal National Mortgage Association, the Department of Housing and Urban Development, the Veterans Administration, or Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase Mortgage loans on the Lots subject to this Declaration; or (d) if such amendment is necessary to enable any governmental agency or private insurance company to insure or guarantee Mortgage loans on the Lots subject to this Declaration provided that any such amendment shall not adversely affect the title to any Owner's Lot unless any such Lot Owner shall consent in writing. Further, so long as Declarant has the right unilaterally to subject additional property to this Declaration, Declarant may unilaterally amend this Declaration for any other purpose provided that any such amendment shall not materially adversely affect the substantive rights of any Lot Owners hereunder, nor shall it adversely affect title

to any Lot without the consent of the affected Lot Owner.

In addition to the above, this Declaration may be amended:

(a) for so long as the Declarant owns any property in the Community or has the right to annex additional property, with the affirmative written consent of the Declarant and upon the affirmative vote or written consent, or any combination thereof, of the Owners of at least two-thirds (2/3) of the Lots; and

(b) if the Declarant no longer owns any Property in the Community and no longer has the right to annex additional property, upon the affirmative vote or written consent, or any combination thereof, of the Owners of at least two-thirds (2/3) of the Lots.

**15.5 Partition.** The Common Area shall remain undivided, and no Owner nor any other Person shall bring any action for partition or division of the whole or any part thereof without the written consent of all Owners of all portions of the property located within the Community and without the written consent of all holders of all Mortgages encumbering any portion of the property, including, but not necessarily limited to, the Lots located within the Community.

**15.6 Gender and Grammar.** The singular, wherever used herein, shall be construed to mean the plural, when applicable, and the use of the masculine pronoun shall include the neuter and feminine.

**15.7 Severability.** Whenever possible, each provision of this Declaration shall be interpreted in such manner as to be effective and valid, but if the application of any provision of this Declaration to any person or to any property shall be prohibited or held invalid, such prohibition or invalidity shall not affect any other provision or the application of any provision which can be given effect without the invalid provision or application, and to this end, the provisions of this Declaration are declared to be severable.

**15.8 Captions.** The captions are inserted only for convenience and are in no way to be construed as defining, limiting, extending, or otherwise modifying or adding to the particular Article or Section to which they refer.

**15.9 Perpetuities.** If any of the covenants, conditions, restrictions, or other provisions of this Declaration shall be unlawful, void, or voidable for violation of the rule against perpetuities, then such provisions shall continue only until twenty-one (21) years after the death of the last survivor of the now living descendants of Elizabeth II, Queen of England.

**15.10 Indemnification.** To the fullest extent allowed by applicable South Carolina law, the Association shall indemnify every officer of the Association and director of the Association against any and all expenses, including, without limitation, attorney's fees, imposed upon or reasonably incurred by any officer or director in connection with any action, suit, or other proceeding to which such officer or director may be a party by reason

of being or having been an officer or director. The officers and directors shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. The officers and directors shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers or directors may also be members of the Association), and the Association shall indemnify and forever hold each such officer and director free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any officer or director, or former officer or director, may be entitled. This indemnification shall also include attorney's fees and expenses incurred in enforcing this indemnification. The Association shall maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such coverage is reasonably available.

#### **15.11 Books and Records.**

(a) **Inspection by Members and Mortgagees.** This Declaration, the Bylaws, copies of rules and use restrictions, membership register, books of account, and minutes of meetings of the members of the Board and of committees shall be made available for inspection and copying by Declarant or any member of the Association or by the duly appointed representative of any member and by holders, insurers, or guarantors of any first Mortgage at any reasonable time and for a purpose reasonably related to such Person's interest as a member or holder, insurer, or guarantor of a first Mortgage at the office of the Association or at such other reasonable place as the Board shall prescribe.

(b) **Rules for Inspection.** The Board shall establish reasonable rules with respect to: (1) notice to be given to the custodian of the records; (2) hours and days of the work when such an inspection may be made; and (3) payment of the cost of reproducing copies of documents.

(c) **Inspection by Directors.** Every director shall have the absolute right at any reasonable time to inspect all books, records, and documents of the Association and the physical properties owned or controlled by the Association. The right of inspection by a director includes the right to make extra copies of documents at the reasonable expense of the Association.

**15.12 Financial Review.** A review of the books and records of the Association shall be made annually in the manner as the Board may decide provided that after having received the Board's financial statements at their annual meeting, by a majority of the Total Association Vote, the Owners may require that the accounts of the Association be audited as a common expense by a certified public accountant. Upon written request of any institutional holder of a first Mortgage and upon payment of all necessary costs, such holder shall be entitled to receive a copy of audited financial statements within ninety (90) days of the date of the request.

**15.13 Notice of Sale, Lease, or Acquisition.** In the event an Owner sells or leases such Owner's Lot, the Owner shall give to the Association, in writing, prior to the effective date of such sales or lease, the name of the purchaser or lessee of the Lot and such other information as the Board may reasonably require. Upon acquisition of a Lot, each new Owner shall give the Association, in writing, the name and mailing address of the Owner and such other information as the Board may reasonably require.

**15.14 Agreements.** Subject to the prior approval of Declarant (so long as Declarant owns any property for development or sale in the Community, or has the right to unilaterally annex additional property to the Community), all agreements and determinations, including settlement agreements regarding litigation involving the Association, lawfully authorized by the Board shall be binding upon all Owners, their heirs, legal representatives, successors, assigns, and others having an interest in the Community or the privilege of possession and enjoyment of any part of the Community.

**15.15 Implied Rights.** The Association may exercise any right or privilege given to it expressly by the Declaration, the By-Laws, the Articles of Incorporation, any use restriction or rule, and every other right or privilege reasonably to be implied from the existence of any right or privilege given to it therein or reasonably necessary to effectuate any such right or privilege.

## ARTICLE XVI VARIANCES

Notwithstanding anything to the contrary contained herein, the Declarant and the Board or its designee shall be authorized to grant individual variances from any of the provisions of this Declaration, the By-Laws and any rule, regulation, or use restriction promulgated pursuant thereto if it determines that waiver of application or enforcement of the provision in a particular case would not be inconsistent with the overall scheme of development for the Community.

**BYLAWS**  
**OF**  
**HAWK CREEK NORTH HOMEOWNERS ASSOCIATION, INC.**

**ARTICLE I**  
**NAME MEMBERSHIP, APPLICABILITY AND DEFINITIONS**

**1.1 Name.** The name of the corporation shall be **Hawk Creek North Homeowners Association, Inc.** ("Association").

**1.2. Membership.** The Association shall have two (2) classes of membership, as is more fully set forth in that certain Declaration of Protective Covenants, Conditions and Restrictions for Hawk Creek North Subdivision ("Declaration"), the terms of those of which pertain to membership are specifically incorporated by reference herein.

**1.3. Definitions.** The capitalized words used in these Bylaws shall have the same meaning as set forth in the Declaration, unless the context shall correspond otherwise.

**ARTICLE II**  
**ASSOCIATION: MEETINGS, QUORUM, VOTING, PROXIES**

**2.1. Place of Meetings.** Meetings of the Association shall be held at the Association's principal office or at such other suitable place convenient to the members as may be designated by the Board, either in the Community or as convenient to the Community as possible and practical.

**2.2. First Meeting and Annual Meetings.** An annual or special meeting shall be held within one year from the date the Declaration is recorded. Annual meetings shall be set by the Board so as to occur no later than sixty (60) days after the close of the Association's fiscal year.

**2.3. Special Meetings.** The President may call special meetings. In addition, it shall be the President's duty to call a special meeting of the Association if so directed by resolution of the Board or upon a petition signed by at least five (5%) percent of the Total Association Vote (the consent of the Declarant shall not be required). The notice of any special meeting shall state the date, time, and place of such meeting and the purpose thereof. No business shall be transacted at a special meeting, except as stated in the notice.

**2.4. Notice of Meetings.** It shall be the duty of the Secretary to mail or to cause to be delivered to the Owner of each Lot (as shown in the records of the Association) and to the Declarant, so long as Declarant owns any real property within the Community, a notice of each annual or special meeting of the Association stating the time and place where it is to be held and in the notice

of a special meeting, the purpose thereof. If an Owner wishes notice to be given at an address other than his or her Lot, the Owner shall designate such other address in writing to the Secretary. The mailing or delivery of a notice of meeting in the manner provided in this Section shall be considered service of notice. Notices shall be served not less than ten (10) nor more than sixty (60) days before a meeting.

**2.5. Waiver of Notice.** Waiver of notice of a meeting of the members shall be deemed the equivalent of proper notice. Any member may, in writing, waive notice of any meeting of the members, either before or after such meeting. Such written notice shall be delivered to the Secretary for inclusion in the Association's minutes. Attendance at a meeting by a member, whether in person or by proxy, shall be deemed waiver by such member of notice of the time, date, and place thereof, unless such member specifically objects to lack of proper notice at the time the meeting is called to order.

**2.6. Adjournment of Meetings.** If any meetings of the Association cannot be held because a quorum is not present, a majority of the members who are present at such meeting, either in person or by proxy, may adjourn the meeting to a time not less than five (5) nor more than thirty (30) days from the time the original meeting was called. At such adjourned meeting at which a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

**2.7. Voting.** The voting rights of the members shall be as set forth in the Articles of Incorporation and the Declaration, and such voting rights are specifically incorporated by this reference.

**2.8. Proxies.** At all meetings of members, each member may vote in person or by proxy. All proxies shall be in writing, dated, and filed with the Secretary before the appointed time of each meeting. Every proxy shall be revocable and shall automatically cease upon conveyance by the member of such member's Lot, or upon receipt of notice by the Secretary of the death or judicially declared incompetence of a member, or of written revocation, or upon the expiration of eleven (11) months from the date of the proxy.

**2.9. Quorum.** The presence, in person or by proxy, of twenty-five (25%) percent of the total eligible Association vote shall constitute a quorum at all meetings of the Association. The members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough members to leave less than a quorum. Any amendment to this Section shall comply with the provisions of the South Carolina Nonprofit Corporation Act, S.C. Code Section 33-31-10, et seq.

**2.10. Action Without A Formal Meeting.** Any action to be taken at a meeting of the members, or which may be taken at a meeting of the members, may be taken without a meeting if one or more written consents setting forth the action so taken shall be signed by members holding at least eighty (80%) percent of the Association's voting power. Action taken without a meeting shall be effective on the date that the last consent is executed, and consented to by the Declarant (so long as Declarant owns any property within the Community) unless a later effective date is specified

therein. Each signed consent shall be delivered to the Association and shall be included in the minutes of meetings of members filed in the permanent records of the Association. Written notice of member approval pursuant to this Section must be given to all members who have not signed the written consent. Provided, however, that so long as Declarant holds a majority of the voting power of the Association, Declarant may take action without a meeting, in its sole discretion.

**2.11. Action By Written Ballot.** Any action to be taken at any annual, regular, or special meeting of members may be taken without a meeting if approved by written ballot as provided herein. The Association shall deliver a written ballot to each member entitled to vote on the matter. The written ballot shall set forth each proposed action and provide an opportunity to vote for or against each proposed action. Approval by written ballot of an action shall be valid only when the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting held to authorize such action and the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot. All solicitations for votes by written ballot shall indicate the number of responses needed to meet the quorum requirements; state the percentage of approvals necessary to approve each matter other than election of directors; and specify the time by which a ballot must be received by the Association in order to be counted. A timely written ballot received by the Association may not be revoked without the consent of the Board. The results of each action by written ballot shall be certified by the Secretary and shall be included in the minutes of meetings of members filed in the Association's permanent records.

### ARTICLE III

#### BOARD OF DIRECTORS: NUMBER, POWERS, MEETINGS

##### **A. Composition and Selection.**

**3.1. Governing Body; Composition.** The affairs of the Association shall be governed by a Board of Directors. Except as provided in Section 3.2, the directors must reside in the Community and shall be members or spouses of such members; however, no person and his or her spouse may serve on the Board at the same time.

**3.2. Directors Appointed by Declarant.** The Declarant shall have the right to appoint or remove any member or members of the Board or any officer or officers of the Association until such time as the first of the following events shall occur: (a) December 31, 2012; (b) when the total votes outstanding in the Class A membership exceed the total votes outstanding in the Class B membership; or (c) the surrender by Declarant in writing of the authority to appoint and remove directors and officers of the Association. Each Owner, by acceptance of a deed to or other conveyance of a Lot, vests in Declarant such authority to appoint and remove directors and officers of the Association. The directors selected by the Declarant need not be Owners or residents in the Community.

**3.3. Number of Directors.** The Board shall consist of three members. After the Declarant's right to appoint directors and officers terminates, the Board may expand the number of

directors to five or seven members, which shall be filled by a vote of the members in accordance with Section 3.5(b).

**3.4. Nomination of Directors.** Elected directors shall be nominated from the floor and may also be nominated by a nominating committee, if such a committee is established by the Board. All candidates shall have a reasonable opportunity to communicate their qualifications to the members and to solicit votes.

**3.5. Election and Term of Office.** Owner-elected directors shall be elected and hold office as follows:

(a) After the Declarant's right to appoint directors and officers terminates, the Association shall call a special meeting to be held at which Owners shall elect three directors.

(b) Thereafter, directors shall be elected at the Association's annual meeting. All eligible members of the Association shall vote on all directors to be elected, and the candidate(s) receiving the most votes shall be elected.

At the special meeting in which the Owners initially elect directors, two directors shall be elected to two-year terms and one director shall be elected to a one-year term. At the expiration of the initial term of office of each respective Owner-elected director, a successor shall be elected to serve for a term of two years. The directors shall hold office until their respective successors shall have been elected by the Association.

**3.6. If the Board cannot hold a meeting because a quorum is not present, a majority of the directors at such meeting may adjourn the meeting to a time not less than five (5) or more than thirty (30) days from the date of the original meeting. At the reconvened meeting, if a quorum is present the Board may transact, without further notice, any business which it might have transacted at the original meeting. **3.17. Telephonic Participation.** One or more directors may participate in and vote during any regular or special Board meeting by telephone conference call or similar communication equipment by means of which all persons participating in the meeting can hear each other at the same time, and those directors so participating shall be present at such meeting. Any such meeting at which a quorum participates shall constitute a meeting of the Board.

(h) Any Owner may, if he wishes, at his own expense, carry any and all other insurance he deems advisable beyond that included in the homeowners policy required by the Association.

(i) In the event of damage or destruction by fire or other casualty to any property covered by insurance payable to the Association as trustee for the homeowners, the Board of Directors shall, with the concurrence of mortgagees, if any, upon receipt of the insurance proceeds, contract to rebuild or repair such damaged or destroyed portions of the property to as good condition as formerly existed. All such insurance proceeds shall be deposited in a bank or other financial institution, the accounts of which bank or institution are insured by a Federal governmental agency, with the provision agreed to by said bank or institution that such funds may be withdrawn only by signature of at least one-third (1/3) of the Members of the Board of Directors, or by an agent duly authorized by the Board of Directors. The Board of Directors shall obtain bids from at least two reputable contractors, and then may negotiate with any such contractor, who may be required to provide a full performance bond for the repair, reconstruction or rebuilding of such Building or Buildings.

(j) Also, the Association may levy in any calendar year, a special assessment for the purpose of defraying the cost of construction, reconstruction, repair or replacement of a Building or Buildings containing single family residential units, to the extent that insurance proceeds under a group insurance policy containing a Replacement Cost Endorsement are insufficient to pay all costs of said construction, reconstruction, repair or replacement to as good condition as existed prior to damage or destruction by fire or other casualty covered by said insurance.

(k) The reconstructed or repaired Residence shall be substantially identical to the destroyed Residence, unless a change shall be approved by the Board, and shall be constructed in conformity with plans submitted to and approved by the Board prior to construction.

(l) If a Residence is not habitable by reason of damage, the obligation of the Owner to pay annual assessment installments shall be suspended either for a period of ninety (90) days or until the Residence is restored to a habitable condition, whichever shall first occur. In the event a Residence is damaged or destroyed, the Owner, at his expense, shall remove all personal debris from the Lot within thirty (30) days, so that it shall be placed in a neat, clean, and safe condition; and if he fails to do so, the Association may cause the debris to be removed, and the cost of removal shall constitute a lien upon the Residence until paid by the Owner, unless the Residence is thereafter acquired by the Association.

(m) Any Residence which has been destroyed, in whole or in part, by fire or other casualty, and is substantially restored or reconstructed, shall be subject to the provisions of this Declaration and to the By-Laws of the Association.

(n) The Association shall maintain adequate fidelity coverage against dishonest acts by officers, directors, trustees and employees, and all others who are responsible for handling funds of the Association. Such fidelity bonds shall:

- (1) Name the Association as an obligee;
- (2) Be written in an amount equal to at least 150% of the estimated annual operation expenses of the planned unit development project, including reserves; and
- (3) Contain waivers of any defense based on the exclusion of persons who serve without compensation from any definition of "employee" or similar expression.

**ARTICLE XIV**  
**Other Easements**

The provisions set forth in Section 14.1 (Easements for Encroachment and Overhang) of Article XIV (Other Easements) of the Declaration are hereby amended by the addition of the following provision:

*(b) Declarant contemplates that the townhome Residences to be constructed in Hawk Creek North shall occupy the majority area of the Lot. If any portion of the Common Area or any Exclusive Common Area now encroaches upon any Lot (or the residence thereon) or any Lot (or the residence thereon) now encroaches, or hereafter shall encroach, upon any portion of the Common Area or any Exclusive Common Area as a result of the construction or repair of the Residence on said Lot, or if any encroachment shall occur hereafter as a result of settlement or shifting of the residence or otherwise, a valid easement for the encroachment and for the maintenance of the same is hereby established and shall endure so long as the Residence shall exist. In the event the Residence or improvements on any adjoining Common Area or any Exclusive Common Area shall be partially or totally destroyed as a result of fire or other casualty or as a result of condemnation or eminent domain proceedings, the reconstructive encroachments of parts of the Common Areas or any Exclusive Common Areas upon any Lot or over any Lot, or of the Residence upon any portion of the Common Areas or any Exclusive Common Areas due to such reconstruction shall be permitted and valid easements for such encroachments and maintenance thereof shall exist so long as the Residence shall stand.*

Except as amended or supplemented hereby or previously amended or supplemented, the aforementioned terms and conditions of the Declaration of Covenants, Conditions and Restrictions for Hawk Creek North Subdivision shall remain unchanged and in full force and effect.

### **Hawk Creek North Architectural Guidelines**

The Architectural Review Committee is responsible for the approval of many of the changes we see around the neighborhood, as well as encouraging the proper upkeep, maintenance, and overall appearance of the homes in the neighborhood, such as maintaining any structures on the property. It is in everyone's best interest to keep our neighborhood looking as great as we can in order to keep home values as high as possible. Thanks for doing your part!

We would like to remind all residents of the proper procedure and channels for an architectural change to your property. These changes include everything from a painted front door, to a fence or shed. We have also listed the basic, but not all-encompassing, standards for common items.

If you would like to add a fence, shed, addition, swing/play set, or make changes to your existing structure (e.g. paint your front door, screen in your patio), or driveway (e.g. widen a driveway), an Architectural Committee Request Form is required. One can be obtained either by emailing [hcnarchitectural@gmail.com](mailto:hcnarchitectural@gmail.com) or contacting Hinson Management.

The number one reason requests are denied is due to lack of information. Please include the required items on the ACR Form to ensure the quickest processing of your request. Below we've listed some of the standard requirements for our two most common requests, fences and sheds, as well as some other requirements and restrictions.

#### **Sheds**

- Color of the shed must match house color
- Roof color must match house roof color
- Maximum footprint of 160 square feet

#### **Fences**

- Must be painted or stained Sherwin Williams Belvedere Tan.
  - A Home Depot or Lowes color match of Belvedere Tan is approved.
- Must be arched to match other fences in sub division
- Maximum 6 feet tall

#### **Pools**

- Only kiddie pools are allowed.

#### **Solar Panels**

All installations are subject to the approval of the Hawk Creek North Architectural Review Committee, but must, at a minimum, meet the following requirements:

- All black, monocrystalline modules, installed on rear of house
- No exposed conduit or wiring
- No blue or chrome colored panels
- Owner assumes all responsibility for panel upkeep and maintenance. Any lapses in upkeep or maintenance are subject to architectural violation fines, as outlined in the Hawk Creek North Non-Compliance Assessment Schedule.
