If the monthly assessment is not increased by the maximum amount permitted under the terms of this Section, the difference between any actual increase which is made and the maximum increase permitted for that year shall be computed and the assessment may be increased by that amount within the next three future years at the election of all members of the Board of Directors of the Association without a vote of the membership, in addition to the maximum increase permitted under the terms of the preceding sentence.
- (b) From and after January 1 of the year immediately following the conveyance of the first lot to an Owner, said maximum monthly assessments may be increased without limitation if such increase is approved by Members entitled to no less than

sixty-seven (67%) of all of the votes. Such voting may be represented in person or by proxy at a meeting duly called for such purpose. If the Association has not been turned over to the membership the Declarant reserves the right to increase the assessment as the Declarant deems necessary.

In no event shall the sum of the initial and supplemental assessments for that annual period exceed the applicable maximum annual assessment permitted under Subsection 3(a) of this Article.

4. Special Assessments for Capital Improvements. In addition to the monthly and supplemental monthly assessments authorized in Section 3 above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto; provided, that any such assessment requires the same assent of the members as provided in Section 3 (b) of this Article.

5. Assessment Rate. Both monthly and special assessments must be fixed at an equal amount for all Lots. The Declarant shall not be subject to payment of assessments at any time.

6. Notice and Quorum for Any Action Authorized Under Article V. Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Sections 3 or 4 shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At such meeting the presence of Members or of proxies entitled to cast fifty percent (50%) of all the votes of the membership shall constitute a quorum: If the required quorum is not present, subsequent meetings may be called, subject to the same notice requirement, until the required quorum is present. No such subsequent meeting shall be held more than sixty (60) days following date set for the preceding meeting.

7. Date of Commencement of Monthly Assessments: Due Dates. The monthly assessments provided for herein shall commence as to each Lot upon the filing of this Declaration (or the filing of an Amendment to this Declaration if relating to the Additional Properties) in the Office of the Register of Deeds. The first monthly assessment shall be adjusted and prorated according to the number of months remaining in the annual accounting period for the Association. Written notice of the monthly assessment for each year shall be sent to every Owner. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of twenty-five (25%) percent per annum. Assessments shall constitute a lien against the Lots. No Owner may waive or otherwise escape liability for the assessments provided for herein by not using the Common Areas or by abandoning Owner's Lot.

The sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure, shall extinguish the lien of such assessments against such Lot as to payments which became due prior to such sale or transfer pursuant to mortgage foreclosure. No sale or transfer shall relieve the purchaser of such Lot from liability for any assessments thereafter becoming due or from the lien thereof, but the lien provided for herein shall continue to be subordinate to the lien of any mortgage as provided in this Declaration. No mortgagees shall be required to collect assessments hereunder and a failure to pay assessments hereunder shall not constitute a default under any applicable mortgage on a Lot.

Owners may have the right to plant and maintain flowers in the front and rear beds if established by Declarant in developing the Lots; provided that such plantings and their maintenance by the Owner do not hinder or interfere with the Association in performing its maintenance and replacement of landscaping on the Lots as the Association is required to maintain. No such maintenance by an Owner shall reduce the assessments payable by such Owner to the Association. The Owner shall not plant any vegetation on a Lot without the prior written approval of the Architectural Control Committee except flowers in beds as described above.

If the need for maintenance, repair or replacement of those matters which are the responsibility of the Association is caused, directly or indirectly, wholly or in part, through the willful, intentional, unintentional, or negligent act or omission of an Owner or such Owner's family, guests, invitees, tenants, contractors or agents, the cost of such maintenance, repair or replacement shall be added to and become a part of the assessments to which such Lot is subject.

Prior to the Declarant transferring the Common Area to the membership, the Declarant may approve minor changes as the Declarant deems necessary in his sole discretion.

2. Encroachments. Each owner of a Lot with an exterior wall, roof or eave, including overhangs, fence, concrete or asphalt walk, patio, or driveway which encroaches on the Common Area and/or an unimproved portion of a Lot of another Lot Owner and which encroachment exists solely by virtue of original construction by the Declarant or with Declarant's express approval, shall have an easement over that portion of the Common Area or adjacent Lot affected by the encroaching wall, roof, eave, walk, patio, or driveway for the purpose of using said portion of the Common Area or adjacent Lot for the encroaching Owner's exclusive use and benefit and for the purpose of maintaining the encroaching structure in good condition and repair. In the case of a wall, roof, eave, walk, patio, or driveway encroachment, it shall be the responsibility of the Owner thereof to maintain the encroaching wall, roof, eave, walk, patio, or driveway in good condition and repair.

3. Support. To the extent that any land or improvements that are part of the Common Area or a Lot now or hereafter supports or contributes to the support of any other land or improvement that is part of the Common Area or another Lot, the land or improvement providing such support is hereby burdened with an easement and right for support for the benefit of the other land or improvement that is supported.

The Architectural Committee's approval or disapproval shall be in writing. If the Architectural Committee approves the plans, specifications and site plan for the proposed improvements, the construction of such improvements must be promptly commenced and diligently pursued to completion and if such construction is not commenced within the time set therefor by the Architectural Committee in the written approval (but in no event later than two (2) years after such approval), such approval shall be deemed rescinded and, before construction of improvements can thereafter be commenced on the subject Lot, the plans, specifications and site plan therefor must be again approved by the Architectural Committee pursuant to this Article.

Notwithstanding the foregoing, the Architectural Committee shall have no right or power, either by action or failure to act, to waive or grant any variance relating to any mandatory requirements specified in the Declaration.

6. Right of Inspection. The Architectural Committee shall have the right, at its election, to enter upon any of the Lots during preparation, construction, erection, or installation of any improvements thereon to determine that such work is being performed in conformity with the approved plans and specifications.
