

(SOME) ARCHITECTURAL GUIDELINES FOR __Clayton Manor (not all inclusive)

Your neighborhood CCR's and Bylaws are the recorded governing documents but these guidelines are what the Architectural Review Committee will use to assist in reviewing the requests. Turn-around time is typically within 2 weeks but defer to CCR's for specifics.

ALL IMPROVEMENTS MUST BE SUBMITTED AND APPROVED PRIOR TO BEGINNING WORK

FENCES- Fences are usually constructed by either the builder or homeowner **AFTER CLOSING.** **ALL FENCING MUST BE SUBMITTED TO ARCHITECTURAL REVIEW COMMITTEE BEFORE CONSTRUCTION**

Type of fencing allowed in your neighborhood include:

Fencing- ONLY WHITE VIYNL TO MATCH PRIVACY WALL INSTALLED BY BUILDER

YARDS- If you have a lot maintained by HOA, homeowner needs to make arrangements to leave gate open for access on scheduled maintenance days. (*This does not apply to every neighborhood)

SHEDS- NO SHEDS ALLOWED.

SOLAR PANELS- Solar panels will be reviewed on an individual basis and **IF** approved, they must be installed on the rear of the home where they are not visible from the road or adjacent lot. Please note in some cases installation of these panels may void your roof warranty. Speak with your builder first.

The following requests are more likely to receive quick approvals but still require submittal to the ARC- **pergolas, front door changes, landscape modifications, covered porches**

Other common requests subject to review by ARC include: **flag poles, signs, playground equipment, front yard ornamental gardens, driveway extensions, swimming pools, retaining walls**

Approvals or denials by the ARC are based on these guidelines, aesthetics, and within the framework of the CCR's and the HOA only and do not necessarily translate into further legal rights or restrictions.

It is the responsibility of each owner to install all approved fencing in a manner that ensures an adequate distance for future maintenance of said fencing and also the entire property from the fence line to the property line. It is also the property owner's responsibility to obtain permission to attach to a neighboring fence if applicable.

Checklist of Items ARC will need to proceed: **Requests will not be sent to the committee for consideration without all supporting documentation included. If you have questions, please refer to the instructions included with this form.**

- Site Plan with location and dimensions of improvement indicated
- Photo, Brochure or Sketch of Improvement
- Written description of improvement including materials, colors and sizes

Contractor: _____ Phone Number: _____

By signing below the applicant understands that by completing this form he/she agrees to all guidelines set forth by the architectural review committee and all decisions are final. It is understood that the applicant is responsible to comply with all Federal, State, County, and Local codes. It is the applicant's responsibility to locate all easements, utilities, and property lines. Approval is void if improvement is not started within ninety (90) days from the approval date. Standards of the neighborhood's governing documents apply to completion guidelines. Items submitted to the committee will not be returned.

Where to return your form, email is preferred, and contact information for your representative.

Check any box that applies to the improvements you are requesting. You may request multiple projects in one packet if they will be completed at the same time.

Further information and an example on the following page

A visual representation of your requested improvement. This can be a drawing, picture form a brochure or an image from the internet.

You must sign and date your request before submitting, electronic signatures are not accepted.

Your contact information, so we can contact you with information regarding your request

If you are requesting a fence, indicate the height, style and color here

Describe your requested improvement. Include what you are requesting, where it will be placed and a description of what it will look like.

Include the name and phone number for the contractor completing the project. If you will be doing the work yourself, simply write "self" on this line.

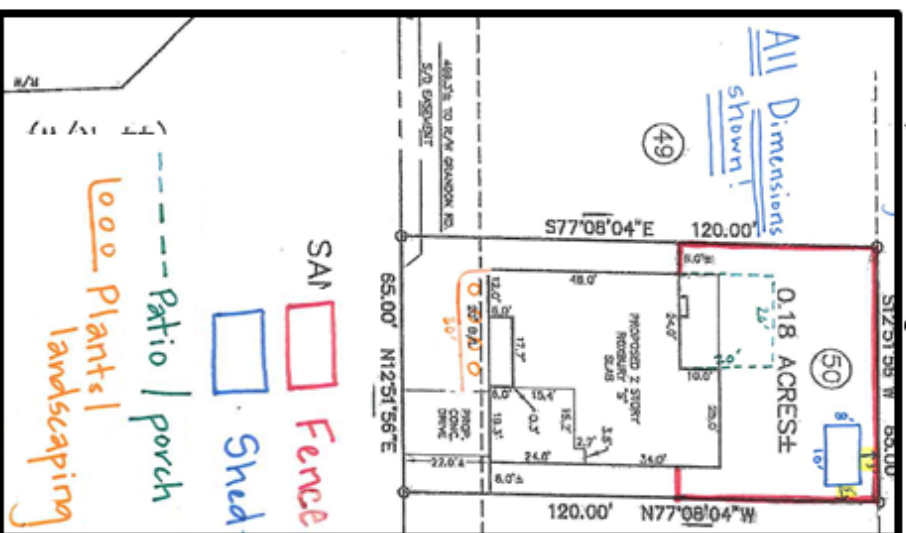

Architectural Committee Request Form Instructions

Examples of Site Plan with location and dimensions of improvements indicated.

You must submit your site plan using a form like one of the two below. You must include the dimensions of all requested improvements as well their distance from your property lines

Preferred

Foundation survey (typically included in your closing documents) with all improvements drawn.

Plat of the community with your house and improvements drawn on your lot. This plat can be found one the Register of Deeds website for your county.
