Architectural Committee Request Form Instructions

This guide will aid you in completing an Architectural Committee Request, incomplete requests will not be accepted. If you have any questions, contact your representative via the information on the top of the form. Requests will not be accepted by any third party.

Where to return your form, email is preferred, and contact information for your representative.

Check any box that applies to the improvements you are requesting. You may request multiple projects in one packet if they will be completed at the same time.

Further information and an example on the following page

A visual representation of your requested improvement. This can be a drawing, picture form a brochure or an image from the internet.

You must sign and date your request before submitting, electronic signatures are **not** accepted.
