No such merger, combination or consolidation, however, shall affect any revocation, change or addition to, the covenants and restrictions established by this Declaration within the Property.

Section 2.3 Access Easement Reserved. The Declarant reserves unto itself for the benefit of Declarant, its successors and/or assigns, and Builders a perpetual, non-exclusive and alienable easement and right of ingress, egress and regress over and across all private streets and roads within the Community for access to and from other real property of Declarant or its successors and/or assigns. In addition, an easement and right of ingress, egress and regress over and across all private streets and roads within the Community, if any, is hereby granted to any applicable government agency, for the purpose of fulfilling their duties, including, without limitation, law enforcement, fire protection, garbage collection, delivery of the mail, and any other service related to keeping the peace and preserving the general welfare.

ARTICLE THREE: MEMBERSHIP; VOTING RIGHTS IN THE ASSOCIATION; RIGHTS AND RESPONSIBILITIES OF THE ASSOCIATION

Section 3.1 Membership. Every person or entity who is a record Owner of a fee simple interest in any Lot or Improved Lot in the Community is subject by this and any other Supplemental Declarations made in connection herewith to all rights, responsibilities and assessments of the Association and shall be a Member of the

Association, provided, however, that any such person or entity who holds such interest merely as a security for the performance of an obligation shall not be a Member.

Section 3.2 Voting Rights. The Association shall have two (2) classes of voting memberships:

a) Class I. The Class I Members shall be all Owners of Lots or Improved Lots within the Community, except Class II Members, if any. Any Class I Member in the Community shall be entitled to one (1) vote for each Lot or Improved Lot which it owns. In the case of multiple ownership of any Lot or Improved Lot, however, those multiple Owners shall be treated collectively as one Owner for voting purposes.

b) Class II. The sole Class II Member shall be the Declarant. The Class II Member shall appoint all members the Board during the Declarant Control Period which shall continue until the first to occur of the following:

- i. When one hundred percent (100%) of the Lots and Improved Lots which are planned for the Community have certificates of occupancy and have been conveyed to Persons other than the Declarant or a Builder; or
- ii. When the Declarant, in its sole discretion, voluntarily relinquishes its Class II Member rights in a written instrument in recordable form. Upon such relinquishment, the Declarant shall become a Class I Member as to any Lots or Improved Lots then owned by the Declarant.

Section 3.3 Right of Class II Member to Disapprove Actions. So long as the Class II Membership exists, the Class II Member shall have the right to disapprove any action, policy or program of the Association, the Board, and any committee which, in the sole judgment of the Class II Member, would tend to impair rights of the Declarant under these Declarations, the Bylaws, or Ordinance, or interfere with development of or construction on any portion of the Properties, or diminish the level of services being provided by the Association.

(a) The Class II Member shall be given written notice of all meetings and proposed actions approved at meetings (or by written consent in lieu of a meeting) of the Association, the Board, or any committee. Such notice shall be given by certified mail, return receipt requested, or by personal delivery at the address the Class II Member has registered with the secretary of the Association, which notice complies with the Bylaws and which notice shall, except in the case of the regular meetings held pursuant to the Bylaws, set forth in reasonable particularity the agenda to be followed at such meeting. The Class II Member may waive its right to receive notice in the same manner as provided in the Bylaws.

(b) The Class II Member shall be given the opportunity at any such meeting to join in or to have its representatives or agents join in discussion from the floor or any prospective action, policy or program which would be subject to the right of disapproval set forth herein.

No action, policy or program subject to the right of disapproval set forth herein shall become effective or be implemented until and unless the requirements of subsections (a) and (b) above have been met.

The Class II Member, its representatives or agents may make its concerns, thoughts and suggestions known to the Board and/or the members of the subject committee. The Class II Member, acting through any officer or director, agent or authorized representative, may exercise its right to disapprove at any time within ten (10) days following the meeting at which such action was proposed or, in the case of any action taken by written consent in lieu of a meeting, at any time within ten (10) days following receipt of written notice of the proposed action. No action, policy, or program shall be effective or implemented if the Class II Member exercises its right to disapprove. This right to disapprove may be used to block proposed actions but shall not include a right to require any action or counteraction on behalf of any committee, or the Board or the Association. The Class II Member shall not use its

right to disapprove to reduce the level of services which the Association is obligated to provide or to prevent capital repairs or any expenditure required to comply with applicable laws and regulations.

Section 3.4 Termination of Class II Membership. Class II membership shall terminate upon the expiration of the Declarant Control Period.

Section 3.5 Rights and Responsibilities of the Association. Subject to the provisions set forth in this Declaration, the Association has exclusive management and control of the Common Areas and all improvements thereon and all furnishings, equipment and other personal property relating thereto.

The Association's duties with respect to such Common Areas include, but are not limited to, the following:

- c) maintenance of all entry signs and features serving the Properties, constructed by or on behalf of the Declarant;

- e) maintenance of all mailboxes;
- f) management, operation, maintenance, repair, servicing, replacement and renewal of all landscaping, improvements, equipment and personal property constituting part of the Common Areas or located upon the Common Areas so as to keep all of the foregoing in good, clean, attractive, sanitary, safe and serviceable condition, order and repair;

- i) Maintenance and repair of all stormwater ponds and roads in the Community.

The Association, acting through its Board or its duly authorized agent, shall obtain and continue in effect insurance, if reasonably available, or if not reasonably available, the most nearly equivalent coverages as are reasonably available. Premiums for all insurance on the Common Area and the activities of the Association and its Board shall be considered Common Expenses and shall be included in the Assessment. In the event of an insured loss, the deductible shall be treated as a Common Expense and assessed in the same manner as the premiums for the applicable insurance coverage. However, if the Board reasonably determines, after notice and an opportunity to be heard in accordance with the Bylaws, that the loss is the result of the negligence or willful misconduct of one or more Owners, their employees, lessees, invitees, clients, customers or guests, then the Board may specifically assess the full amount of such deductible against such Owners and their Homes.

The Association may in its discretion also provide other services as and to the extent the Association deems appropriate, such as, but not limited to, security services or devices, including but not limited to operation of the entry guard house and any other security gates, security personnel and overall traffic control.

The Association may obtain and pay for the services of any person or firm to manage its affairs to the extent the Board deems advisable, as well as such other person or firm as the Board determines is necessary or desirable, whether such person or firm is furnished or employed directly by the Association or by any person with whom it contracts. Without limitation, the Board may obtain and pay for legal, accounting, engineering or other professional services necessary or desirable in connection with the Common Areas or the enforcement of this Declaration, the Association's Articles of Incorporation, Bylaws, rules or regulations.

The Association may acquire, hold, exchange, and dispose of real property and tangible and intangible personal property, subject to such restrictions as from time to time may be contained in the Association's Articles of Incorporation or the Bylaws and Greenville County ordinances.

The Association, from time to time, may adopt, alter, amend, rescind and enforce reasonable rules and regulations governing use and operation of the Common Areas, which rules and regulations shall be consistent with the rights and duties established by this Declaration. The validity of the Association's rules and regulations, and their enforcement, shall be determined by a standard of reasonableness for the purpose of protecting the value and desirability of the Community.

The Association may, acting through its Board, contract with other residential associations or commercial entities, neighborhoods or clubs to provide services or perform services on behalf of the Association and its Members.

(d) Living trees shall be removed from the Property only in conformance with plans approved in accordance with Article 5 and applicable governmental rules, regulations and ordinances.

(e) All areas designated on a recorded plat as "wetlands" shall be generally left in a natural state, and any proposed alteration of the wetlands must be in accordance with any restrictions or covenants recorded against such property and be approved by all appropriate regulatory bodies. Prior to any alteration of a Lot or Improved Lot, the Owner shall determine if any portion thereof meets the requirements for designation as a regulatory wetland. Notwithstanding anything contained in this Section, the Declarant, the Association, and the successors, assigns, affiliates and designees of each may conduct such activities as have been or may be permitted by the U.S. Army Corps of Engineers or any successor thereof responsible for the regulation of wetlands.

Notwithstanding the foregoing, this Section 4.16 shall not apply to or be enforced against Declarant or any Builder.

Section 4.17 Other Regulations. Each Owner shall be subject to such other reasonable regulations concerning the use of the Common Areas may be made and amended from time to time by the Board.

ARTICLE FIVE: ARCHITECTURAL CONTROL

Section 5.1 Purposes. The Declarant desires to provide for the preservation of the values in the Community with respect to vegetation and any improvements to be constructed or altered on any Lot or Improved Lot constituting a portion of the Community, and to that end, the Declarant will establish an architectural control committee to provide, enforce and maintain certain standards as to harmony of exterior design and location of the improvements or alterations thereto on any Lot or Improved Lot in relation to surrounding structures, natural features and topography.

Section 5.2 Architectural Control. Unless expressly authorized in writing by the Committee, no single family residence, townhome, fence, wall, driveway, patio, building or other structure or improvement whatsoever shall be constructed or maintained (including, but not limited to, painting such structures); nor shall the initial landscaping installed by the Declarant or a Builder be materially changed; nor shall any exterior addition or

alteration to any single family residence, townhome, fence, wall, driveway, patio or other building or structure or improvement (including, but not limited to, painting such structures) be started; nor shall any clearing or site work be commenced or maintained upon any Lot or Improved Lot in the Community, until plans and specifications showing the shape, dimensions, materials, basic exterior finishes and colors, location on site, driveway, parking, decorative landscape planting, floor plans and elevations (all of which is hereinafter referred to collectively as the "Plans") have been approved by the Committee and any application fee set by the Association has been paid. The Committee shall have the absolute and exclusive right to refuse to approve any such Plans which are not suitable or desirable in the opinion of the Committee for any reason, including purely aesthetic reasons, which in the sole and uncontrolled discretion of the Committee shall be deemed sufficient. The Committee may promulgate design standards from time to time to be adhered to by the Plans for the Lots and Improved Lots in the Community. A current copy of all design standards shall be kept on file in the principal office of the Association.

Each Lot and Improved Lot shall be maintained consistently with the initial landscaping as installed by the Declarant or Builder. All material changes to the landscaping installed on a Lot or Improved Lot shall be first approved by the Committee. The Committee shall have the authority to create landscaping guidelines with which each Lot and Improved Lot shall comply.

In no event shall any dwelling be erected and located upon any Lot closer to the front, rear and side property lines than those setback measurements, if any, shown on the Recorded Plat. Each dwelling which shall be erected on any Lot shall be situated on such Lot in accordance with the Ordinances and any design guidelines approved in writing by the Committee. Approval shall be received before commencement of lot clearing preparatory to construction unless either a variance shall have been granted by the Committee or Declarant shall have amended the Recorded Plat. In no event shall any dwelling be erected and located upon any such Lot in a manner which violates the requirements and provisions of any applicable zoning ordinances and subdivision regulations.

Notwithstanding anything contained herein, the limited exterior maintenance and landscaping maintenance provided by the Townhome Association (as defined in the Townhome Declaration) shall not require the prior approval of the Committee.

Section 5.3 Architectural Control Committee.

a) Membership

(i) As to the initial construction of improvements on any Lot (the "Initial Construction of Improvements") and the modification or alteration of improvements on any Improved Lot (the "Modification of Improvements"), the Declarant shall be responsible for the review, approval, and monitoring of construction of improvements. Thus, for the purposes of this Declaration, wherever the Committee is described, regulated or permitted to act, the Declarant shall act as the Committee when such provisions are used in connection with the Initial Construction of Improvements and the Modification of Improvements. The right of the Declarant to review and approve plans pursuant to this section shall cease upon expiration of the Declarant Control Period and transfer to the Committee.

(ii) From and after the expiration of the Declarant Control Period, the Committee shall be composed of three (3) persons (who need not be Members of the Association) appointed by the Board. A majority of the Committee may designate a representative to act for it. In the event of death, resignation, or removal by the Board of any member of the Committee, the Board shall have full authority to designate a successor. Unless otherwise approved by the Association, neither the members of the Committee nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. The Association shall keep, or cause to be kept, a list of the names and addresses of the persons who form the Committee and a list of the names and addresses of any designated representatives of the Committee, and such a list shall be available in the principal office of the Association to any Owner upon request.

b) Procedure. At least forty-five (45) days prior to the commencement of any construction, the Plans shall be submitted to the Committee. Approval shall be subject to such regulations and architectural standards as may from time to time be promulgated by the Committee. Within thirty (30) days after receipt of the complete Plans and all other required information, the Committee shall notify the Owner of the Lot in writing as to whether the Plans have been approved. Unless a response is given by the Committee within thirty (30) days, the Plans shall be deemed approved. The response of the Association may be an approval, a denial or a request for additional information. A request for additional information shall be deemed a determination that the information submitted was inadequate, and the thirty (30) daytime period for further Committee response shall only commence upon receipt of the requested additional information. No improvements shall be made except in strict conformity with the approved Plan. The Committee shall have the right to monitor construction of improvements and investigate compliance with the approved Plan, and hereby reserves the right to enter upon any Lot or Improved Lot to do so.

Owners are responsible for the contractors they hire to perform work. Any contractor damaging Common Areas, improvements or infrastructure of the Community, and the Owner(s) who engaged the services of such contractor, shall be jointly and severally liable for such damage. The Committee may from time to time, in its sole discretion, require of any contractor or Owner a cash or insurance performance bond to guarantee final site clean up and/or extraordinary road repairs necessitated by the actions of the contractor and its workers and subcontractors during the construction of any improvements in the Community.

Any Owner submitting Plans to the Committee and disagreeing with the finding of the Committee may appeal the decision to the Board by giving written notice of appeal to the President of the Association within fifteen (15) days following receipt of notice of denial. The Board shall then review the Plans, giving the Chairman of the Committee, in the presence of the Owner or Owner's agent, the opportunity to present to the Board specific reasons why the Plans were denied. The Owner or Owner's agent may present information challenging the findings of the Committee. The decision of the Committee shall be overridden by simple majority vote of the Board, but such override must occur within forty-five (45) days of the Board's receipt of the Committee's decision. Notwithstanding the foregoing, decisions pursuant to Section 5.3(a)(i) shall not be appealable to the Board.

The Committee may adopt a schedule of reasonable fees for processing requests for approval. Such fees will be payable to the Association at the time that the Plans and other documents are submitted to the Committee. The payment of such fees, as well as other expenses of the Committee required to be paid, shall be deemed to be an individual Assessment, enforceable against the Owner. The Committee expressly reserves the right and power, exercisable in its sole discretion, to procure the services of a consultant of its own choosing for purposes of assisting the Committee in its review of any Plans, and the cost of such consulting service(s) shall be the responsibility of the respective applicant or Owner of the subject Lot or Improved Lot and shall be in addition to any fees due for processing any requests for approval.

All notices required to be given under this Section shall be given in writing, hand-delivered or mailed postage prepaid, certified or registered mail, return receipt requested or deposited with an overnight carrier and the Committee shall be obligated to specify the particular grounds upon which denial of any application is founded. If the Committee approves the Plans, one set of Plans, marked approved, shall be retained by the Committee, and one set shall be returned to the applicant.

Construction must be completed in strict accordance with the Plans approved by the Committee. In addition, single family residences and townhomes shall comply with all applicable building, plumbing, electrical and other codes.

c) Application of this Article.

(i) This Article shall apply to any additions to the Property subsequently made subject to this Declaration, as amended.

(ii) Notwithstanding anything contained within this Article or any other provision of this Declaration, no building, construction, reconstruction or repair of a single family residence, townhome, roadway, curbing, utility service, fence, improvements on Common Areas or any other structure on a Lot or Improved Lot made or caused to be made by the Declarant in accordance with plans previously approved pursuant to Section 5.3(a) shall require the re-approval of or be subject to the re-review of the Committee.

(iii) Repainting, re-roofing, minor repairs, and the like shall not require the approval of the Committee if done or made in accordance with construction and design guidelines promulgated or adopted by the Committee or the Association.

(iv) No amendment to this Declaration changing the provisions of this Article shall be effective during the Class II membership and two years thereafter without the consent of the Declarant.

ARTICLE SIX: ADDITIONAL RIGHTS RESERVED TO DECLARANT

Section 6.1 Conversion of Lots to Common Area. Declarant hereby reserves the right during the Declarant Control Period to convert an existing Lot owned by Declarant entirely to Common Area, without the consent of any Owner or mortgagee.

Section 6.2 Annexation by Declarant. Until the earlier of (i) 20 years after the recording of this Declaration in the public records, or (ii) the expiration or earlier termination of the Declarant Control Period, Declarant may from time to time unilaterally subject all or any additional property to the provisions of this Declaration or any similar document imposing covenants, conditions, restrictions and easements thereon in keeping with the mixed use development of the such additional property as determined in the discretion of Declarant.

The Declarant may transfer or assign this right to annex property, provided that the transferee or assignee is the developer of at least a portion of the real property described in Exhibits A and that such transfer is memorialized in a written, recorded instrument executed by Declarant.

Such annexation shall be accomplished by filing a Supplemental Declaration in the public records describing the property being annexed. Such Supplemental Declaration shall not require the consent of Members, but shall require the consent of the owner of the property being annexed, if other than the Declarant. Any such annexation shall be effective upon the filing in the public records of such Supplemental Declaration unless otherwise provided therein.

Nothing in this Declaration shall be construed to require the Declarant or any successor to annex or develop any additional property in any manner whatsoever.

Section 6.3 Annexation by Membership. The Association may annex any real property to the provisions of this Declaration with the consent of the owner of such property, the affirmative vote of Class I Members holding at least 67% of all votes, and, during the Declarant Control Period, the written consent of the Declarant.

Section 6.4 Additional Covenants and Easements. The Declarant may unilaterally subject any portion of the Properties to additional covenants and easements, including covenants obligating the Association to maintain and insure such property on behalf of the Owners and obligating such Owners to pay the costs incurred by the Association. Such additional covenants and easements shall be set forth in a Supplemental Declaration, filed either concurrently with or after the annexation of the subject property, and shall require the written consent of the owners of the property affected by such additional covenants and easements, if other than the Declarant. The Supplemental Declaration may contain such complementary or contradictory additions and modifications of the provisions contained in this Declaration as may be necessary or convenient in the judgment of Declarant to reflect the different character, if any, of the added properties. Further, it is contemplated by Declarant that future development of any additional property may include multi-family residential, retail, commercial, office, and live/work uses, each of which shall be as determined by Declarant.

Section 6.5 Declarant's Easement Over Common Areas, Lots, Improved Lots. There shall be and is hereby reserved to the Declarant and its agents, contractors, successors and assignees, a nonexclusive easement within the Community over any Common Areas and that portion of Lots or Improved Lots as the Association deems necessary for the purpose of making, constructing, installing, repairing and maintaining improvements to Common Areas or utility systems serving the Community, including, but not limited to roads, trails, sidewalks, sanitary sewers, water lines, gas lines and/or cables, telecommunication cables, storm drains, grading for drainage and drainage swales, and the like. The easement shall automatically transfer to the Association upon the expiration of the Declarant Control Period.

Section 6.6 Right to Transfer or Assign Declarant Rights. Any or all of the special rights and obligations of the Declarant set forth in this Declaration or the Bylaws may be transferred in whole or in part to other persons; provided, the transfer shall not reduce an obligation nor enlarge a right beyond that which the Declarant has under this Declaration or the Bylaws. No such transfer or assignment shall be effective unless it is in a written instrument signed by the Declarant and duly recorded in the Greenville County Register of Deeds. The foregoing sentence shall not preclude Declarant from permitting other persons to exercise, on a one time or limited basis, any right reserved to Declarant in this Declaration where Declarant does not intend to transfer such right in its entirety, and in such case, it shall not be necessary to record any written assignment unless necessary to evidence Declarant's consent to such exercise.

Section 6.7 Right to Redesignate Certain Property. The Declarant, during the Declarant Control Period and until one (1) year after it terminates, hereby reserves for itself and its successors and assigns the right to redesignate property types or boundary lines shown on a Recorded Plat by recording a new Recorded Plat showing such changes and executed by the Declarant or its successor or assigns and any Owners of property redesignated or for which the boundary line is thereby changed.

Section 6.8 Easement to Exercise Rights and Perform Duties. The Declarant hereby reserves for itself and each Builder, during the Declarant Control Period and for the Association thereafter, an easement across the Community for the purpose of fulfilling its obligations, and those of the Association, and exercising its rights, and those of the Association, under this Declaration.

Section 6.9 Advertising on Common Area. Declarant and each Builder shall have the right to display advertising signs upon the Common Area during the period of Lot and Improved Lot sales. Any such signs may be located upon such portions of the Common Area as Declarant shall select, and Declarant shall have the right at any time and from time to time to relocate any signs from their previous location to another location.

Section 6.10 Method of Exercising Development Rights. In the event Declarant exercises any of its development rights under this Article ("Development Rights"), Declarant shall prepare, execute with the same formalities as a deed, and record an amendment to this Declaration in the public records of Greenville County, South Carolina, such amendment to refer specifically to the recording data identifying this Declaration. **Each Owner shall be deemed by Owner's acceptance of the deed to a Lot or Improved Lot to have consented to the Development Rights reserved in this Article and to any amendments previously or thereafter executed by Declarant pursuant to this Article.**

Section 6.11 Amendment. This Article 6 shall not be amended during the Declarant Control Period without the prior written consent of Declarant.

ARTICLE SEVEN: PROPERTY RIGHTS IN THE COMMON AREAS

Section 7.1 Members' Easements of Enjoyment. Subject to the provisions of Section 7.3, every Member shall have a right and easement of enjoyment in and to all of the Common Areas and such easement shall be appurtenant to and shall pass with the title to every Lot and Improved Lot in the Community.

Section 7.2 Delegation of Use. Subject to the provisions of Section 7.3, any Owner may delegate its rights of enjoyment of the Common Areas to the members of its family, its tenants, contract purchasers who reside on the property, or its guests.

Section 7.3 Title to Common Areas. The Declarant shall convey, and upon such conveyance the Association shall accept, legal title to any Common Areas shown on any Recorded Plat of the Community, and such title to Common Area shall be conveyed by the Declarant and accepted by the Association no later than the time of the conveyance to a third party (other than a Builder) of the last Lot within the Community. The conveyance shall be in fee simple without any encumbrances except drainage, greenway and utility easements and easements reserved hereunder or on Recorded Plats. Title in the Common Areas, and private streets, if any, shall be for the perpetual benefit of the Members, and private or public ownership for any purpose other than for the benefit of the Members is prohibited.

Upon conveyance of the Common Areas by the Declarant to the Association, the Association shall not subsequently subdivide or convey the Common Areas, except in the event the Association is dissolved, the Common Areas shall first be offered to Greenville County, and if accepted, deeded to Greenville County in fee simple. If Greenville County refuses such property, then it shall be offered to the City of Fountain Inn, and if accepted, deeded to the City of Fountain Inn in fee simple. If the City of Fountain Inn also refuses such property, it shall be offered to another nonprofit organization that shall agree to maintain it.

If ingress or egress to any Lot or Improved Lot is through the Common Area, any conveyance or encumbrance of such Common Area shall be subject to said Owner's access easement.

Conveyance of Common Areas to the Association shall be made subject to the right of the Declarant to construct common improvements or complete construction thereof, as applicable, on the Common Areas. The right of Declarant to construct or complete construction of such improvements shall terminate one year after the termination of the Declarant Control Period.

Section 7.4 Extent of Members' Easements. The use of Common Areas belonging to the Association shall be a membership entitlement. The rights and easements of enjoyment created herein shall be subject, however, to the following:

- a) the right of the Declarant, in its sole discretion, to grade, pave or otherwise improve any road or street shown on any Recorded Plat;
- b) the right of the Association to formulate, publish and enforce reasonable rules and regulations concerning the use and enjoyment of the Common Areas, and to limit the number of guests, to regulate hours of operations and behavior, and to curtail any use or uses it deems necessary for either the protection of the Common Areas or Recreational Facilities or the peace and tranquility of adjoining residents;
- c) the right of the Association, as provided in its Bylaws, to suspend the enjoyment rights of any Member for any period during which any assessment of that Member remains unpaid, and for any period not to exceed sixty (60) days for any infraction of any published rules and regulations adopted by the Board;
- d) the right of the Association to grant easements across the Common Areas for any purpose not inconsistent with the use of those areas by Members;
- e) the right of the Association, consistent with Ordinances, to transfer part of the Common Areas for the purpose of adjusting lot lines in accordance with the Declarations;

f) the right of the Association to dedicate or transfer all or any part of the Common Areas (which includes streets and roads) or private water/sewer lines to any public agency, authority or utility (public or private) for such purposes and subject to such conditions as may be agreed to by the Members. Except as provided below, no such dedication or transfer shall be effective unless the Declarant (during the Declarant Control Period) and, following expiration of the Declarant Control Period, the Members entitled to at least seventy-five percent (75%) of the Class I votes agree to such dedication or transfer and signify their agreement by a signed and recorded written document; provided that, notwithstanding the foregoing, the Declarant (during the Declarant Control Period), and thereafter the Association shall each have the right, power and authority to grant easements and rights-of-way for the installation and maintenance of drainage facilities and of utilities, whether private, public or quasi-public, including cable television, water, gas and sewer upon, over, under and across any Common Area, without the assent of the Members when, in the sole opinion of the Declarant or the Board, as applicable, such easements are required or reasonably necessary for the development and/or the convenient use and enjoyment of the Community and, in the sole opinion of the Declarant or said Board, as applicable, will not unreasonably interfere with the overall use and enjoyment of the Common Areas;

g) Any greenway or park deeded to Greenville County or to the City of Fountain Inn shall be made accessible to the general public; and

h) the right of the Association to charge reasonable admission or other fees for special or extraordinary uses for the Common Areas.

Section 7.5 Private Roads. In the development of the Community, the Declarant may construct certain private streets or roads connecting parcels of the Community to public rights of way. All Owners shall have an easement for ingress and egress over all private roads for themselves, their tenants, agents, employees, representatives, invitees and assigns and, except as set forth in Section 2.3, there shall be no public rights of any kind therein, unless approved by the Members. Subject to the approval of the City of Fountain Inn and/or Greenville County, the Declarant reserves the right to name and revise from time to time the names or other designations given to such private streets or roads. In no case shall the City of Fountain Inn or Greenville County be responsible for failing to provide any emergency or regular fire, police, or other public service to the Community or the Owners, their guests or tenants, when such failure is due to a lack of access to such areas due to inadequate design or construction, blocking of access routes, inadequate maintenance, or any other factor within the control of the Declarant, the Association, or the Owners. In no case shall the City of Fountain Inn or Greenville County or the State of South Carolina be responsible for maintaining any private street. Such responsibility shall rest with the Association and Owners in that such private streets will not be inspected by the City of Fountain Inn or Greenville County and/or the State of South Carolina to ensure that they were constructed to the minimum standards sufficient to allow their inclusion for public maintenance. The Association shall also be responsible for any curbs, gutters, storm drains and the like associated with the private streets.

ARTICLE EIGHT: COVENANT FOR PAYMENT OF ASSESSMENTS

Section 8.1 Creation of the Lien and Personal Obligation for Assessments. Other than the Declarant and a Builder, each Member, by acceptance of a deed for a Lot or Improved Lot, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to and does hereby covenant and agree to pay to the Association:

- a) annual assessments or charges as herein provided,
- b) special assessments for capital improvements (such annual and special assessments to be fixed, established, and collected from time to time as herein provided); and
- c) Special Individual Assessments, as defined and described in Section 8.5.

The annual and special Assessments and any Special Individual Assessments of an Owner and any fines, liquidated damages or summary charges as provided herein or in the Bylaws, together with such interest thereon and costs of collection thereof as herein provided, shall be a charge on the land and shall be a continuing lien upon the Lot or Improved Lot against which each such Assessment is made. Each such Assessment, together with interest and costs of collection, shall also be the personal obligation of the Owner(s) of such Lot or Improved Lot at the time when the Assessment fell due.

Section 8.2 Purpose of Assessments. The Assessments levied by the Association shall be used exclusively to promote the recreation, health, access, maintenance of property values, security, safety and welfare of the residents of the Community and other Members, and in particular for:

- a) improvement, maintenance, and replacement of any of the Common Areas including, without limitation, private streets, and improvements located on Common Areas;
- b) payment of the Common Expenses;
- c) establishment of capital replacement reserves; and
- d) acquisition of services and facilities devoted to the foregoing purposes or for the use and enjoyment of the Common Areas, including but not limited to, the cost of repairs, replacements, additions, the cost of labor, equipment, materials, management and supervision, the payment of taxes assessed against those Common Areas, the procurement and maintenance of insurance related to those Common Areas, the employment of attorneys to represent the Association if necessary, and such other requirements as are necessary to perform all of the aforesaid functions and purposes.

Section 8.3 Assessment of Uniform Rates Within Different Categories or Forms of Ownership. Both annual and special assessments shall be fixed at uniform rates per category for every Lot or Improved Lot within the Community.

Section 8.4 Special Assessments for Capital Improvements. In addition to the regular annual Assessments, the Association may levy in any assessment year, a special Assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of professional or consulting fees, any construction or reconstruction, unexpected repairs or replacement of any capital improvement (including, without limiting the generality thereof, any lake, waterway, or pond) located upon the Association's Common Areas, including the necessary fixtures and personal property related thereto, or any other unexpected expense of the Association, provided that any such Assessment shall have the consent of sixty-seven (67%) percent of the votes of the Members. Notwithstanding the foregoing, this Section 8.4 shall not apply to or be enforced against Declarant or any Builder.

Section 8.5 Special Individual Assessments. In addition to the regular annual Assessments and the special Assessments for capital improvements described above, the Association may levy, from time to time, on a particular Lot or Improved Lot, special individual Assessments, immediately due and payable, consisting of any fines assessed by the Association under authority contained in the Bylaws for an Owner's violations of the terms and conditions of this Declaration, any liquidated damages or summary charges imposed under authority contained in the Bylaws, together with costs, fees and expenses (including reasonable attorneys' fees) incurred by the Association incidental to the enforcement of any rules and regulations, or the collection of Assessments (both annual and special) or the collection of damages or charges arising under the Bylaws, all of the foregoing of which shall comprise "Special Individual Assessments." Notwithstanding the foregoing, this Section 8.5 shall not apply to or be enforced against Declarant or any Builder.

Section 8.6 Date of Commencement of Annual Assessment: Due Dates. The regular annual Assessments provided for herein shall be paid (as determined by the Board) in annual installments. The payment of the regular annual Assessment by Owners shall commence as to each Lot and Improved Lot on the first day of the month

following the conveyance of that property to a third party other than Declarant or a Builder (provided, however, that in the event Declarant and/or any Builder continues to occupy an Improved Lot for purposes of operating a model home or sales office thereon after the conveyance of such Improved Lot to a third party (other than Declarant or a Builder), whether pursuant to a lease or otherwise, the payment of the regular annual Assessment by the Owner of such Improved Lot shall not commence until such time as the Declarant and/or Builder ceases to operate a model home or sales center thereon). The first regular annual Assessment shall be prorated according to the number of months remaining in the calendar year. The Board shall fix the amount of the annual Assessment at least fifteen (15) days in advance of each regular annual Assessment period. Written notice of the regular annual Assessment shall be sent to every Member subject thereto. The due dates shall be established by the Board. The Association, upon any qualified demand (as determined by the Board) at any time, shall furnish a certificate in writing signed by an officer of the Association setting forth whether any specific Assessment has been paid. Such properly executed certificate of the Association as to the status of the Assessment is binding upon the Association as of the date of its issuance. The first Assessments levied against any additions to the Community not now subject to Assessment, at a time other than the beginning of any Assessment period, shall be prorated. The due date of any special Assessment or any other Assessments permitted by the Declaration shall be fixed in the resolution or resolutions authorizing such Assessment.

Section 8.7 Duties of the Board. The Board shall fix the date of commencement, and the amount of the Assessment or Assessments against each Member, for each Assessment period, at least fifteen (15) days in advance of such date or period and shall, at that time, prepare a roster of the Members and Assessments applicable thereto which shall be kept in the office of the Association, or at any other place designated by the Board upon notice to the Members, and which shall be open to inspection by any Member. Written notice of the Assessment or Assessments thereupon shall be sent to every Member. Based on the projected Assessments to be collected, the Board shall develop an annual operating budget for the Association (the "Budget").

Section 8.8 Non-Payment of Assessments. If the Assessments of an Owner are not paid within ten (10) days following the due date, then such Assessments shall become delinquent and shall, together with such interest thereon and costs of collection, become a continuing lien on the Lot(s) or Improved Lot(s), which shall bind the Owners of such Lot(s) or Improved Lot(s), and the heirs, devisees, personal representatives, successors and assigns. The personal obligation of the then-Owner to pay such Assessment shall remain the Owner's personal obligation for the statutory period; and, in addition, shall pass to the Owner's successors in title (as an encumbrance or lien against the Lot or Improved Lot unless expressly waived by the Board.)

If the Assessment(s) is not paid within thirty (30) days after the delinquency date, the Assessment(s) shall bear interest from the date of delinquency at the rate of one and one-half percent (1.5%) per month (or the highest rate allowed by law, whichever is less), and the Association may authorize its officers to bring appropriate civil action against the Owner or to foreclose the lien against any such Lot(s) or Improved Lot(s). In the event a judgment is obtained against any Owner for such Assessments, such judgment shall include interest on the Assessment as above provided and a reasonable attorney's fee to be fixed by the court, together with the costs of the action and any other costs incurred in collection. In addition, the Board may set a schedule of late fees also due and payable if an Assessment is not paid within thirty (30) days after the delinquency date, which late fees shall be in addition to the other charges described herein.

Section 8.9 Subordination of the Lien on an Owner's Property to Mortgages. The lien on a Lot or Improved Lot of the Assessments provided for herein shall be absolutely subordinate to the lien of any mortgage now or hereafter placed upon any Lot or Improved Lot. The subordination shall not relieve any Lot or Improved Lot from liability for any Assessments now or hereafter due and payable, but the lien shall be subordinate to any mortgage as if said lien were a junior lien, irrespective of when such mortgage was executed and recorded. The sale or transfer of a Lot or Improved Lot shall not affect any lien for Assessments. However, the sale or transfer of a Lot or Improved Lot pursuant to a foreclosure or any proceeding in lieu of foreclosure shall extinguish the lien of such Assessments which became due prior to such sale or transfer. No such sale or transfer shall relieve a Lot or Improved Lot from liability for any assessments thereafter becoming due, or from the lien thereof, but said liens shall continue to be subordinate to the lien of any such first mortgage.

Section 8.10 Exempt Property. The following property subject to this Declaration shall be exempted from the Assessments, charges and liens created herein:

- a) all Common Areas; and
- b) all properties exempted from taxation by the laws of the State of South Carolina, upon the terms and to the extent of such legal exemption. (Homestead exemptions shall not be considered an exemption.)

Notwithstanding any provisions of this Section, no Lot or Improved Lot shall be exempt from said Assessments, charges or liens, except as provided in Section 8.13.

Section 8.11. Maximum Annual Assessment. Until December 31st of the year in which the first Lot or Improved Lot is conveyed to an Owner other than Declarant or a Builder, the maximum annual assessment shall be Two Thousand Five Hundred and 00/100 Dollars (\$2,500.00) per Lot or Improved Lot. From and after January 1 of the year immediately following the conveyance of the first Lot or Improved Lot to an Owner other than Declarant or a Builder, the maximum annual assessment may be increased by no more than fifteen percent (15%) a year by the Board. The annual assessment may be increased more than fifteen percent (15%) upon a vote of the Owners to whom sixty-seven percent (67%) or more of the Association's votes have been assigned who are voting in person or by proxy, at a meeting duly called for such purpose. The limitations in the increase in the annual Assessments herein shall not apply to any change in the maximum amount of the Assessments undertaken as an incident to (1) a merger or consolidation in which the Association is authorized by law to participate, (2) as an incident to any additions to the Community or submission of additional property, or (3) in connection with the addition of Recreational Facilities for the Community.

At the first closing of a Lot or Improved Lot to an Owner other than the Declarant or any Builder, a one-time contribution equal to one(1) annual assessment shall be paid to the Association's Capital Reserve Fund by the purchasing Owner upon the conveyance of a Lot or Improved Lot to such Owner and maintained in an account for the use and benefit of the Association (the "Capital Reserve Account"). For each transfer/sale thereafter, the purchaser shall be charged One Hundred and 00/100 Dollars (\$100.00) which shall be payable to the Association's Capital Reserve Fund and maintained in the Capital Reserve Account for the use and benefit of the Association. The purpose of the Capital Reserve Fund is to ensure that the Association will have cash available to meet unforeseen expenditures, or to acquire additional equipment or services deemed necessary or desirable. Amounts paid into the Capital Reserve Fund are not to be considered as an advance payment of regular assessments. The Capital Reserve Fund may not be used by the Declarant for the initial development of the subdivision's infrastructure or improvements, but may be used for utilities, maintenance and other reasonable expenses as deemed applicable by Declarant until expiration or earlier termination of the Declarant Control Period at which time the Association may review the Assessments in place and revise such amounts as needed.

Section 8.12 Assessments Collected. All monies collected by the Association shall be treated as the separate property of the Association, and such monies may be applied by the Association to the payment of any expense of operating and managing the Community, or to the proper undertaking of all acts and duties imposed upon it by virtue of this Declaration, the Articles of Incorporation and the By-Laws of the Association. As monies for any assessment are paid to the Association by any Owner, the same may be commingled with monies paid to the Association by the other Owners. Although all funds are common surplus, including other assets of the Association, and any increments thereto or profits derived therefrom or from the leasing or use of Common Areas, shall be held for the benefit of the members of the Association, no member of the Association shall have the right to assign, hypothecate, pledge or transfer its membership interest therein, except as an appurtenance to Owner's Lot or Improved Lot. When a Owner shall cease to be a member of the Association by reason of its divestment of ownership of such Lot or Improved Lot, by whatever means, the Association shall not be required to account to such Owner for any share of the funds or assets of the Association, or which may have been paid to the Association by such Owner, as all monies paid to the Association shall be and constitute an asset of the Association which may be used in the operation and management of the Community.

Section 8.13. Declarant and Builder Responsibility for Assessments. Declarant's responsibility for payment of assessments and for contributions to the budget of the Association and Builder's responsibility for payment of assessments and for contributions to the budget of the Association shall be as follows:

1. During the development of the Community, Declarant may elect to pay to the Association an amount sufficient to cover the operating deficit in the budget of the Association, on a periodic basis. This payment will be made in lieu of the assessments which would be levied against the Declarant as the owner of any unsold Lots or Improved Lots.
2. At a time selected by the Declarant, the Declarant will begin paying periodic assessments in the same amounts and in the same manner as all other Owners and shall thereafter have no obligation for covering the deficit in the operating budget.
3. Notwithstanding anything to the contrary contained herein, no Builder shall be responsible for the payment of any Assessments or Capital Reserve Contributions.

ARTICLE NINE: CONDEMNATION AND INSURANCE

Section 9.1 Condemnation of Common Area.

If any portion of the Common Area is taken by condemnation or other taking for public use, the Association shall use any condemnation proceeds to replace or rebuild the affected Common Area and any deficit shall automatically be levied against the Lots and Improved Lots as a Special Assessment for Capital Improvements. The affected Common Area shall be replaced or rebuilt by the Association unless the Members holding two-thirds (2/3) of all votes elect not to replace or rebuild the affected Common Area.

If the taking or conveyance does not involve any Improvements on the Common Area, or if a decision is made not to repair or restore, or if net funds remain after any such restoration or replacement is complete, then such award or net funds shall be paid to the Declarant so long as the Declarant is funding any deficits of the Association and, thereafter, may be used by the Association for such purposes as the Board shall determine.

Section 9.2 Destruction or Damage to Common Area.

If any portion of the Common Area is destroyed or damaged by fire or other such casualty, the Association shall use any insurance proceeds to rebuild or repair the affected Common Area and any deficit shall automatically be levied against the Lots and Improved Lots as a Special Assessment for Capital Improvements. The affected Common Area shall be rebuilt or repaired by the Association unless Members holding two-thirds (2/3) of all votes elect not to rebuild or repair.

a) Notice: Any proposed amendment to this Declaration or proposal for Extraordinary Action shall be transmitted in writing to all current Owners, and there shall be called a special meeting of the Owners for a date not sooner than ten (10) days nor later than sixty (60) days from date of notice. Any Owner may, by written waiver of notice signed by such Owner, waive such notice, and such waiver, when filed in the records of the Association, whether before or after the holding of the meeting, shall be deemed equivalent to the giving of notice to such Owner.

b) Material Amendment or Extraordinary Action. For a Material Amendment or an Extraordinary Action, the Material Amendment or Extraordinary Action proposed must be approved by the Declarant during the Declarant Control Period and, after the Declarant Control Period, by Members holding at least sixty-seven percent (67%) of all authorized votes at a meeting in which a Quorum is present.

c) Other Amendments. For any other amendment to the Declarations other than a Material Amendment or an Extraordinary Action, the amendment proposed must be approved by an affirmative vote of a majority of all Members present, in person or by proxy, and voting at a meeting in which a Quorum is present, or in writing by a majority of the total authorized votes of all the Members.

d) Absentee Voting. Owners may also vote electronically so long as voting is not opened prior to the meeting to consider such amendment or action, and voting does not remain open for more than seventy-two (72) hours following such meeting.

e) Documentation of Approval. If approved, a Material Amendment of this Declaration, Extraordinary Action or other amendment shall be properly transcribed and certified by two (2) officers of the Association on a form substantially similar to the form attached as Exhibit B, stating that such amendment or action was duly adopted and approved by the requisite percentage of Owners. The original or an executed copy of a Material Amendment or other amendment, properly executed with the same formalities as a deed, shall be recorded in the Office of the Register of Deeds of Greenville County, and no such amendment to this Declaration shall be effective until so recorded. If any Material Amendment or other amendment to the Declaration creates an inconsistency in the Bylaws, to the extent such inconsistency exists, the Declaration shall control.

f) Limitation on Owner/Member-initiated amendments. Without the prior written consent of the Declarant, there shall not be allowed any Owner/Member-initiated amendments to this Declaration for a period of five (5) years from the effective date hereof, and in addition, no Owner/Member-initiated amendments may be made for any reason to Article 6 or Section 8.13. The above limitations shall in no way limit or diminish Declarant's rights to make amendments to any part of the Declaration under the powers reserved in Section 10.4 below.

Section 10.3 Exceptions. The following Material Amendments and Extraordinary Actions shall require approval by Members entitled to cast at least ninety percent (90%) of the authorized votes of the Members of the Association:

- a) Termination of the Declarations or other termination of the planned unit development;
- b) Dissolution of the Association; and
- c) Conveyance or Encumbrance of any of the Common Areas.

Section 10.4 Declarant's Right to Unilaterally Amend.

a) Declarant, or its successor or assigns, shall be allowed to unilaterally make any amendments to this Declaration necessary, in the Declarant's reasonable opinion (i) to establish the nonprofit qualifications of the Association; (ii) to correct any discovered typographical error contained herein; (iii) to clarify any ambiguity contained herein; (iv) to comply with governmental directives; or (v) to maintain the tax exempt status of the Association. This right may be exercised and shall be effective only upon the recordation of a "Corrected Declaration" in the Office of the Register of Deeds of Greenville County, which Corrected Declaration shall specifically reference this document, and the provision impacted.

b) The Declarant may also amend this Declaration by filing an amendment in the Greenville County Register of Deeds, executed by only the Declarant, if at the time of the recording of the amendment the Declarant still owns sixty-seven percent (67%) of the existing or proposed Lots and Improved Lots in the Community. Such amendment need not be certified by the Association.

Section 10.5 When Effective; Recording; Title Searching. An amendment to this Declaration that complies with this Article shall be effective when recorded in the Greenville County Register of Deeds. The amendment shall be indexed under the name of the Declarant or its successor, the Association or its successor, or the Owners of the property in the Community. The failure of the amendment to be indexed under all of the foregoing shall not invalidate such amendment so long as the amendment has been indexed under at least one of the foregoing. Anyone searching title on Lots or Improved Lots in the Community should search under the names of the foregoing to discover amendments to this Declaration that may have occurred after the Lot or Improved Lot has been conveyed to an Owner from the Declarant.

Section 10.6 Certain Builder Approval. Notwithstanding anything to the contrary contained in this Declaration, in the event that DRB Group South Carolina, LLC ("ORB") shall become a "Builder" as defined herein, as long as DRB owns at least one (1) Lot, the prior written consent of ORB shall be obtained prior to any amendment or other modification of this Declaration that would materially reduce or limit DRB's rights or materially increase DRB's obligations hereunder. The foregoing shall not apply to any Builder other than DRB.

Section 11.4 Delinquent Taxes, Insurance Premiums and other Charges. First mortgagees of Lot or Improved Lots may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against any Common Areas and may pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy, for such Common Areas and first mortgagees making such payments shall be owed immediate reimbursement from the Association.

Section 11.5 Insurance and Condemnation Proceeds.
